SPAIN DRAWS BLOOD

(Continued from First Page.)

management of the vessels and the conduct of the men, Commander Todd referring particularly to the handling of the Winslow in the hot fire as "highly meritorious."

At 1:40 p. m. fire opened from these vessels and continued until 3 p. m., when they started to return to the outer anchorage.

At this time the Winslow came up and fired and the Winslow asked to be towed out as it was disabled.

The torpedo boat seemed to be the only target at which the enemy fired. It was struck several times and the steering gear shot away and one boiler was disabled.

At this time the Winslow came up and fired and the Winslow asked to be towed out as it was disabled.

At this time the Winslow came up and fired and the Winslow asked to be towed out as it was disabled.
