# "Cut in Two"

WE speak now of our clothing stock—that's all cut in pieces—and small ones—in the annals of our clothing experience—over 30 years—this is the greatest cut in the prices of **our high grade clothing** we have ever made or expect to. The death of the late Henry W. King has made it necessary for us to reduce our immense stock and close it out at the earliest possible time. This special mark down sale has been going on for the last two weeks and has been a success from the start. So we have concluded to place a lower price than ever on our spring and summer suits—

We must close them out at once  
No account of cost or profit will enter into this great sale

YOU are invited to take advantage of this chance by buying Browning, King & Co's fine clothing at prices that goods of our manufacture were never offered before—we have just received several hundred suits not sent with first shipment—and have decided to take them and the odd sizes left from the last two weeks' sale—and make four prices—on the stock of men's clothes that we are reducing—

**\$5<sup>00</sup> \$7<sup>00</sup> \$8<sup>50</sup> \$10<sup>00</sup>**

(This price \$5.00 will buy a suit of cheviot in fancy and plain colors that sold at \$8.00, \$9.00 and \$10.00.)

(This price \$7.00 will buy suits that sold at \$10.00, \$12.50 and \$15.00—cheviot, cassimere and worsted.)

(This price \$8.50 will buy suits of cheviot, cassimere, worsted and blue serge that sold for \$12.50, \$13.50 and \$15.00.)

(This price \$10.00 will buy suits including black clay worsted cutaway and sack—also cheviot, cassimere and serge that sold at \$15.00, \$18.00 and \$20.00.)

We cannot name all the different mixtures and colors of these suits—only that they are all our own make of high grade—styles 1898—suits, and every one warranted—seeing is believing—so you are invited to look them over.

Our Children's Department is included in this sale. Don't forget—a chance to clothe the young as well as the adult at equal advantage. Four prices here
