OMAHA UNABLE TO CONNECT WITH RETTGER

Perfect Support Given the Milwaukee Pitcher, While Roat Plays His Customary Poor Game at Short Field.

MILWAUKEE, May 21 .- (Special Telegram.)—Omaha should have taken today's game, but Roat's disastrous fumbles and wild throws more than counterbalanced Daub's fine pitching, and the Brewers won because they gave Rettger brilliant support and made their hits when the visitors bunched their errors. In the ninth inning, the Omahas came within an ace of winning, Daub starting with a single, Eustace following with another safe hit. Griffin drove the ball between short and third, but Lewce made a great stop and threw to Daly, who completed a lightning double play by snapping the ball to Stafford. Then Roat ping the ball to Stafford. Then Roat knocked the ball to center and brought home Daub, but was caught at second a moment later, when Schoch smothered Lyons' rifle shot. Weaver cut off a home run drive from Eustace's bat in the sixth and took Lyons' there against the fence in the seventh. Four finnings Daub blanked the Brewers, but in the fifth Roat fumbled Speers' grounder. Daub threw wildly to first when Rettger bunted. Nichola' single advanced the runs. bunted, Nichola' single advanced the runners and Daly's long fly to left brought in the first tally. In the sixth Stafford singled, Waldron sacrificed and Lewee's hit and Daub's fumble helped Stafford to score. Schoch opened the seventh with a hit Daly sacrificed him to second, and Stafford's single brought him home. Eustace, Griffin and Lyons made several brilliant plays, Lyons cutting off a runner at the plate by a perfect throw to McCauley after stopping School's hot drive in the fifth, when the bases were filled. Everybody needs a strengthening, purifying tonic nature in renovating the system are so severe that a breakdown is the result with most people. Impurities that have been accumulating all winter must now be gotten rid of, as Spring is the time set apart by nature for a general "house-cleaning" within. It is necessary that this cleansing process take place in order to strengthen the system and prepare it for the trying season of hot weather, when sickness is so abundant. This task can not be accomplished without the assistance of a cleansing, health-renewing medicine, and for this purpose Swift's Specific, S. S., stands out alone, without an equal. It purifies the blood, improves the appetite, builds up and strengthens, gives a ruddy, healthy complexion, removing all pimples and blotches, and so tones up and invigorates as to impart new life and energy to the entire system.

灣GREATEST PURIFIER

Within the past few years I began to fail in health and could attribute it to nothing in particular until I realized that my blood was impoverished. A few bottles of S. S. S. built me up wonderfully, increased my weight and gave me a splendid appetite. It is the best tonic and blood purifier made.

W. M. Bucklin, I. Charles I.

Lake Charles, La. I take pleasure in recommending Swift's Specific as a Blood Purifier. A few bottles cured me of a blood trouble after all other remedies had failed. It also removed pimples and blotches from my face, leaving the skin clear and smooth. While taking S. S. S. my appetite increased and my general health improved. Its effects as a tonic are unequaled.

W. M. Wilson,

Six bottles of Swift's Specific cured me of a horrfble attack of Boils that had broke out all over my body, and from which I could get no relief. I feel that if it was not for your great medicine I would have been an invalid.

PURELY VEGETABLE

It takes but a moment's thought to show why S. S. Sis the best tonic and system-builder. Mercury and iodide of potash, arsenic and sulphur, the most harmful of minerals, are the basis of every blood remedy except S. S. S. These drugs, as every chemist knows, tear down and impoverish the system. Swift's Specific is guaranteed purely vegetable; every ingredient of which it is made

is gathered from nature's forests. \$1,000 Reward will be paid for proof that S. S. S. contains one particle of potash, mercury or any other mineral. No other remedy makes this offer, because no other is purely vegetable.

Kansas City Star cup.

The championship race between the five cracks who have at diffrent times held the cup was the feature of the closing day of the Missouri shooting tournament. This race for the permanent possession of the trophy was close and exciting.

J. E. Riley of Kansas City was the first of the contestants to miss. His sixth bird fell dead out of bounds, but he finished with a total score of twenty-four.

Sim Glover of Rochester, N. Y., saw his seventeenth bird fall dead out of bounds and his eighteenth bird was a clean miss. His total score of twenty-three was the lowest of the five.

Charles W. Budd of Des Moines, Ia., lost his twenty-second bird, which fell dead out of bounds, and Fred Gilbert of Spirit Lake, Ia., had the same misfortune with his twenty-third.

Elliott, though he drew perhaps the hardest lot of birds, won the championship with a clean score of twenty-five.

"Miss and out" was the manner of disposing of the second money, Budd went out on his first bird, Gilbert missed his eighth and Riley, by killing his ninth, took the burse.

The closing event of the meeting was a live bird match. Elliott, Parker, Gilbert, Grimm and Parmelee made clean scores.
