Fisher Pamily Gives the Columbus Crowd a Terrible Shaking Down.

REJUVENATION WORKS THE FIRST TIME

Danb Wins a Ten-Inning Contest in the Morning and Fisher Whitewashes Them in the Afternoon Just as Easy.

COLUMBUS, May 30.—(Special Telegram.) -After struggling along through three eastern series without winning a game, Manager Fisher's reconstructed Omaha team made ample amends for past losses by taking two from the strong Columbus aggregation today. In the forenoon the clubs battled for ten innings before the visitors pulled the game out of the fire and it gave the Omahas so much confidence in themselves that they played like the Bostons in the afternoon, not only winning, but shutting Columbus out without a run, the first time such a feat has been accomplished this season. Rain threatened to interfere with the morning game and a shower delayed the start for half an hour, so when an extra inning was played it made the players late for dinner. The Omaha crowd appeared rather late for the afternoon game, but they made up for their tardiness by sweeping the Senators off the base ball map in jig time.

Sharp fielding prevented run getting in the first game until the fifth inning when Buckley's two-bagger and a single by Davis scored one. Omaha tied the score in the sixth through a base on balls to Pickering and hits by Fleming and Eustace. A base on balls. Tebeau's double and Wolverton's single gave Columbus two in the ninth. Eustace struck out and Hagerman, who batted for Hollingsworth, went out at first. McCauley hit a bounder over Davis' head, Fisher batted for Daub and singled and Preston's triple tied the score. Davis singled in the tenth and took second on Hagerman's fumble, scoring two outs at first. Fleming beat out a bunt, Lyons drew a base on balls, Roat's sacrifice enabled him to reach first as Wolverton made a bad throw to Tebeau, and a single by Eustace scored two runs and won the game.

Inability to hit Fisher's curves tells the crowd took liberties with the curves of Briggs, late of Chicago, and when Wolters was put in to finish the game in the eighth inning Omaha kept right on making runs. Preston was given a life by Briggs in the first inning and a stolen base with Lyons' hit scored the first rup. In the third, four clean singles and two errors gave Omaha three runs, while Fisher's two-bagger, Preston's bunt and Pickering's single scored another in the fourth. Singles by Rout, Hollingsworth and McCauley scored one in the seventh and in the eighth Fisher singled, Preston was hit by a pitched ball, Pickering sacrificed and Fleming's hit scored two runs. The Omaha team put up a wonderful fielding game in both contests, while their batting was hard and timely. Score, first game:

PHILADELPHIA, May 30.—Eduoard Taylore, champion of France, today defeated Joe Vernier of Philadelphia in a match race for twenty miles at the Decoration day meet at the Willow Grove bicycle track. The race was a brilliant one.

Vernier held close to his pacing teams and led at the second and third miles, being them a lap ahead of Taylore. This position was maintained until after the tenth mile, Vernier crossing first at each mile.

While on the back stretch of the first lap of the eleventh mile a quad pacing Vernier made a bad spill, upsetting Vernier. This gave Taylore a big advantage and he closed up the gap between him and Vernier and went ahead.
