The Discovery OF the Age

A WOMAN WAS THE INVENTOR.

Thousands have tried from time immemorial to discover some efficacious remedy for wrinkles and other imperfections of the complexion, but none had yet succeeded until the Misses Bell, the now famous Complexion specialists of 73 Fifth avenue, New York City, offered to the public their wonderful Complexion Tonic. The reason so many failed to make this discovery before is plain, because they have not followed the right principle. Baths, Creams, Lotions, etc., never have a similar effect upon the skin, hence the failures.

The Misses Bell's Complexion Tonic has a most exhilarating effect upon the cuticle, resulting and carrying off all impurities which the blood in its natural action is constantly driving to the surface of the skin. It is on the skin what a fountain pump is to the flood and across a river it does the like immediately continuous and strengthens wherever applied. Its same effect on the tissues underneath, and is speedily manifest thereby from the multitudinous pimples, blackheads, small pockets, wrinkles, liver spots, sunburns, tetters, eruptions and discolorations of the skin.

It acts like an ax, to forever do away with Crow Claw-feet. The Misses Bell will during the present month give away to all callers at their parlors on the fifth floor of their Complexion Tonic absolutely free, and to those who cannot call on them we will send by mail on receipt of 10c. to cover cost of packing and delivering. The price of the wonderful tonic is $1.00 per bottle and the liberal offer should be accepted by all.

The Misses Bell have just published their new book, "Secrets of Beauty," this valuable work is free to all sending for it. The book treats exhaustively of the importance of a good complexion, and how a woman may acquire beauty and keep it. Special chapters on the care of the hair, how to have beautiful growth, various methods of making the hair grow, how to restore the natural color when it is affected, and also instructions how to banish superfluous hair from the face, neck and arms without injury to the skin. This book will be mailed in any address on receipt of 10c.

GIVEN FREE Each Bottle of Wonderful Complexion Tonic free to ladies or $1 cash (one or packing and mailing) to those at a distance.
