ABOUT-TELEPHONES FIGHT L toZ Des Moines City Council Orders Iowa Company to Get Out.

MUST REMOVE APPARATUS FROM STREETS -----

Franchise Ran Out & Year Ago, but Company Claims That it Has Been Renewed-More Fun in Store.

DES MOINES, June 7 .- (Special Telegram.)-Just what the Iowa Telephone company, which is none other than the Bell Telephone company, will do in regard to the action of the city council yesterday in ordering the company to remove its

poles, wires and apparatus from the streets and alleys Manager Van Alstine declined to state today. It looks as though the war between the Iowa and the Mutual Telephone companies is now to become a war between the lowa company and the city

government. Mr. Van Alstine referred to a resolution passed a year ago allowing the company to lay conduits and said the order would ation, which is in substance that the Iowa is trying to run the Mutual out of business by giving free 'phones to almost everybody who applied. The lowa company's franchise ran out a year or more ago, but t claims the order to put its wires in conduits was a practical renewal of the franchise.

The indications are that the Forty-ninth lowa will also go to the Philippines. Colonel Dows has not yet received orders from Washington, but the passenger agent of the Milwaukee road today received notice that the government had given them the contract for hauling half of the regiment to Omaha on the way to San Francisco.

President A. E. Stillwell of the Kansas City, Pittsburg & Gulf Railway, will be in the city Friday evening as a guest of the Commercial Exchange. He comes here to talk over railway matters and look into the prospects of extending the Gulf road so that it may have connections with Des Moines. The Commercial Exchange is today arranging for a big banquet at the Kirkwood on that evening. Governor Shaw, the railway commissioners, judges of the supreme court and many prominent Des Moines business men will be present.

RECEIVES BRAZILIAN MINISTER, Honse is Considering a Measure to Allow Volunteers to Vote.

President Exchanges Expression of Go od Will with Him. of the urgent war deficiency bill as passed WASHINGTON, June 7 .- The new minisby the senate, the house today considered ter from Brazil, Senor Joaquim Francisco the conference report upon the sundry civil de Assiz, when presented to the president, bill. The report so far as it embodied made the following address:

My personal friendly feelings for this great nation, from the contemplation of which my country and the world have derived so many lessons of progress and liberty, are identical

with those of the Brazilian people and gow-ernment. You were the first to raise the cry of free government, and we recall the memory of that glorious cry, although it was mainder only given us a century later to repeat it morrow. with success. You opened and we closed the cycle of the tremendous work of liberty, closed 1 which is still being carried out on the most fertile soil of the American continent. The vote at congressional elections during the desting which made of our two countries the war. It involved constitutional questions, greatest territorial powers of America, glv-ing us similar aspirations in the domain of up tomorrow following the sundry civil repolitical protection, established, however, very different fields for the material activity of each. Production, the basis of public wealth, is far from being the same in the two nations, so the very struggle for existence, which not seldom obliterates the best feelings and defeats the best designs, instead of giving us cause for selfish competition and

disturbances of our good relations, will be, on the contrary, the certain pledge of the White House today, even sightseers being firmest friendship. We are mutually drawn together by the two forces which exert the greatest influence upon human action-love and interest."

President McKinley replied as follows: Mr. Minister: It affords me great pleasure and Brownlow of Tennessee, Weymouth to greet you as envoy extraordinary and minister plenipotentiary of the United States Massachusetts and Wadsworth of New York of Brazil to the United States of America and to receive from your hand the letters whereby the president of the United States of Brazil accredits you in that capacity. The people of this union have always held sentiments of the highest esteem for the razilian nation, as is shown by the friendly relations which have uninterruptedly existed between it and the government of the United States of America. And I heartily welcome your cordial offer of concurrence in maintaining and strengthening those relations of good friendship and promoting the mutual

welfare of the two nations whose aspirations are in many respects so similar The high personal regard which your predeccessors have won in their intercourse with this government gives me assurance that you, too, Mr. Minister, will enjoy the sincere

espect and friendship of this government and most worthily represent the nation whose commission you hold. I beg that you will convey to the president of the United States of Brazil an expression

of my cordial appreciation of his message of good will for my personal prosperity and that both in his own name and in that of the American people
