termined on, but it will probably be within landing has been allowed to escape. How ever, some of the troops will be landed at When the fleet of thirty-seven transports, Guantanmo bay in order to relieve the with its freight of fighting men, swept up marines there, but it is generally believed

> The long and trying journey has left the men in a much better condition than anticipated. There are fourteen mild cases of typhoid on the hospital ship, among them bay, and thence to Cape Haytien, where a being Major Horton of the Twenty-fifth infantry, and several cases of measles. There are, however, no serious cases of sickness Owing to the smoothness of the passage the soldiers were not generally affected by seasickness. They are all wildly anxious to get ashore and begin fighting.

The dispatch boat of the Associated Press was eagerly besieged on all sides for news of Admiral Sampson's operations, officers and men clamoring for a word from the Haytien and Guantanamo about 3 o'clock among the troops when it became known that the actual capture of Santiago is to be Santiago has been materially strengthened ing the re-opening of communication.

As soon as the fleet of transports had arrived at a point about twenty miles off Santiago de Cuba this aft ernoon, the steamer Segurancia, having on the other vessels lying to, and steamed to the transports had arrived safely and were the flagship of the station, to visit Rear Adsteamed slowly in toward the hills, where the flagship, and the Segurancia then went the military expedition, was on board the to Accerredos, about seventeen miles west flagship New York counseling with Ad-It was intended to take the entire fleet to of Santiago, and near which place General miral Sampson respecting the landing of

General Shafter and his staff and Rear ceeded to General Garcia's headquarters, about a mile inland, where they spent sevforward on the Segurancia to confer with eral hours in consultation with the Cuban Shafter's staff. the admiral. The transports lay on the general. At the conclusion of the conference. General Shafter and the other officers had little or nothing to say regarding the plans for the landing of the American troops, and for the co-operation of the Cubans. The best information obtainable is that there will be no attempt to make a general landing for two or three days, but small bodies of troops will be put ashore probably tomorrow, at several points, both east and west of Santiago, including Accerredos. This will rive General Shafter an opportunity to become more familiar with

the work before him and to ascertain the best place for a general landing. The transports and the war ships which convoyed the troops here came close in shore this afternoon, in full view of the lookouts on Morro castle, and they will lie tonight fifteen miles out from Admiral Sampson's fleet, which is guarding the en-

trance of the harbor of Santiago. Shafter Considers Landing Places. The result of Admiral Sampson's investigation of the various landing places was laid before the army officers, but General Shafter

The Americans are assured that they need have no fear of contracting diseases on the southeastern shores of Cuba, as the climate Four Thousand Men Will Leave Newport is not unhealthy. The Cuban general de-News Thursday Morning. clared that his own troops, ill fed and poorly clothed as they were, were in good health and therefore the Americans need not fear

OTHERS WILL FOLLOW IN A SHORT TIME fevers or other serious ailments. General Shafter investigated the condition of the Cuban soldiers during his visit and Invading Army is to Be Made Suffiwas impressed with their soliderly and hardy ciently Strong to Cope with appearance, though he recognized the fact Any Force the Spaniards that they needed clothes and provisions. both of which were given them during the May Have.

The interview closed with the understanding on the part of the generals that small bodies of troops are to be landed at once at several points along the coast, where they will be safe from any serious attack by the Spaniards, and will be able to keep the enemy in doubt for the present as to their ultimate intentions. Among the troops that will be landed first are a number of men from the engineer corps, who will begin work at once preparing for the movement of the main body. Tampa. Generals Shafter and Garcia will consult

further tomorrow. It was nearly dark before the officers returned to the Seguranca, and then it steamed back to the flagship and took up

a position for the night. Before nightfall all the other transports and the convoying war ships had drifted nearer to the shore and the Spanish soldiers, watching from the bluffs on both sides of the entrance of Santiago harbor, must have been impressed by the great array of vessels standing off shore. There were nearly sixty of them, including the troop ships and the men of war, comprising Rear 'Admiral Sampson's fleet and the squadron of Commodor

Spaniards View the Fleet. The 8 000 Spanish soldiers and perhap 000 Spanish sailors guarding the city and harbor of Santiago de Cuba, doubtless concluded that there was but a small chance of overcoming the force of American war ships and some 20,000 American soldiers and sailors which will be hurled against them

before the present week is over. The dispatch boat of the Associated Press left the fleet for the cable station just at nightfall, when the war ships had taken their positions in the semi-circle in front of the harbor entrance, with the troop ships further out. The sea was comparatively smooth for the first time in several weeks and the great fleet was almost motionless The newspaper dispatch boats, which had been steaming back and forth among the transports since the arrival of the latter, were held up at every stage of their passage with the request to take letters to the nearest mailing point, giving accounts of the voyage and giving the announcement of the arrival of the army.

According to the naval regulations estab lished at the outbreak of the war, not a light was visible on any of the ships and the cordon of war vessels lying near Morro castle, under the Spanish guns, kept its vigil with more than usual care during the dark hours of the night to guard against the approach of a destroying torpedo boa which might attempt to run out of the harbor and with one well directed shot sink

LONDON, June 21 .- A dispatch from Ha ana says that Blanco is sending six battalions to protect the Santiago coast.

News at Washington.

WASHINGTON, June 21 .- There was im portant news at the War department when Secretary Alger reached his office today. The transports, with 15,000 troops, he was informed, had arrived safely off Santiago and that direct cable communication had been established between the United States and Guantanamo, where the United States marines now hold possession of Cuban soil. Thus, not only is Captain General Blanco \$10 to \$160 biennially. Many large clubs cut out from any communication with the declare they will withdraw if this is adopted. outside world, save through the Key West but Mrs. Hengotin and the women in power cables within our control, but the authorities assert an increased income is necessary, in Washington have been placed in close onnection with our forces, army and navy, which are conducting the invasion of Cuba. To General Greeley and his signal corps ance of \$2,366. The receipts the last two elongs the honor of achieving this last feat. He was entrusted some weeks ago \$4,979, leaving a balance of \$3,692. At the with the task of re-establishing cable and same time Mrs. Julia B. Shattuck of Chitelegraphic communication with Cuba. Under his supervision Lieutenant Colonel mittee, reported that \$4,500 was a maxi-James Allen of General Miles' staff, with mum estimate of the money needed for officers and men of the signal corps, have been busily engaged in the execution of that have been an indebtedness at this convenwork. The French cable company, whose cable runs from Santiago to Guantanamo direct connection is obtained with New York, was accorded the privilege of restoring this communication with Guantanamo and Santiago, with permission to send commercial and domestic dispatches under a strict military censorship necessitated by war conditions. The steamer Mansel was employed for the

work, and operating on these lines communication was restored between Cape day or Wednesday the cable will be thrown open to the general public, subject to The American fleet off Colonel Allen to General Greeley announce

General Greeley immediately directed the possible advices as to the arrival of the United States troop transports. Lieutenan Colonel Alien applied to Captain McCalla in command of the United States naval forces in Guantanamo bay. The captain in turn sent out a boat to Admiral Sampson's squadron, which returned with the news that lying off Santiago and that at the moment of the report General Shafter, commanding the troops. The news was particularly grateful to Secretary Alger, who besides Admiral Sampson went ashore and pro- his official interest in the arrival of the expedition has a natural concern for the wel fare of his son, an inspector on General

## HYMENEAL.

Dewar-Althaus.

The marriage of Miss Carolyn Althaus and James R. Dewar occurred very quietly yesterday afternoon at the residence of the bride's mother, Mrs. Anna M. Althaus, 2207 North Eighteenth street. Only intimate friends of the family were present, but these included a sufficient number to fill the house as the bride has spent her life in Omaha and is a most popular member of local society. The ceremony was pronounced by Rev. H. W. Kuhns, one of the pioneer ministers of the city, who took a fatherly interest in the year. It has been coming up slowly this aft-young people's happiness born of a long as- ernoon and is hossibly near its highest sociation with the family. The bridal party stage. #### Cubans under Garcia can keep Pando from CASE AGAINST SUDBOROUGH reinforcing Santiago. Should this not be would be augmented to about 25,000 men.

State Concludes Its Preliminary Testimony and the Arguments Are Commenced.

The case of the State against T. K. Sudorough, charged with embezzling the funds of the Pacific Express company, was concluded in County Judge Baxter's court yesterday and the defendant held in bonds in the sum of \$5,000 to appear and answer at he next term of the district court.

Upon the reconvening of court yeserday morning W. E. Nason, clerk in the office of the express company, was called to the stand and estified that some months before servering his connection with the company, Sudborough said to witness that he, Sudborough was short in his accounts. At that time, witness said that he made false entries in his books to cover up a shortage of \$7,000 such entries being made under instructions of Sudborough. This testimony concluded the evidence of the state. The defense aunounced that it had no testimony to offer and at the noon adjournment, County Judge Baxter announced that he would hear argu

At the afternoon session the attorney commenced their arguments, occupying the ime until the hour of adjournment, when Judge Baxter announced that in his judgment there was probable cause for believing that a crime as charged had been committed and that he would be compelled to send the case to the district court for a further investigation. He then fixed the ond at \$5,000, which was signed by W. I Bowen and Arthur Briggs and approved,

#### CONTEMPT CASE IS STILL ON Indee Scott Listens to Testimony Regards Camels at the Streets of All Nations.

The contempt case before Judge Scott, wherein A. L. Reed and S. B. Wadley of he Department of Concessions of the expoition, and Messrs. Akoun and Zitone of the Streets of All Nations, are charged with a ciolation of the order of the court in alowing and permitting camels and donkeys o be used in the Streets of All Nations, continues to drag along, and the indications are that it will consume a couple of days

Several witnesses have been examined, all an animated discussion, the idea being of whom have testified that camels have been permitted to travel about the streets since the issuance of the temporary restraining order went out. This is not denied Palace hotel was held a reception for the by the defendants, who contend that they ederation officers, the state presidents and could not do anything different, under the terms of Judge Fawcett's order, which pronibited Akoun and Zitone from ejecting the amels from their village.

At the noon recess of court the court gave the sheriff implicit instructions to the effect that he should take the defendants into his custody and keep them together until again brought into the court room. The proceedings during the afternoon were simply a continuation of those of the ast several days. Several witnesses were upon the stand and each gave his version relative to the conduct of the streets and the riding of camels. L street owned by M. Hansen and occupied

## THE ILLS OF WOMEN

And How Mrs. Pinkham Helrs Overcome Them.

Mrs. MARY BOLLINGER, 1101 Marianna St., Chicago, Ill., to Mrs. Pinkham: "I have been troubled for the past two years with falling of the womb, leucorrhœa, pains over my body, sick headaches, backache, nervousness and weakness. I tried doctors and various remedies without relief. After taking two bottles of your Vegetable Compound, the relief I obtained was truly wonderful. I have now taken several more bottles of your famous medicine and can say that I am entirely cured." Mrs. HENRY DORR, No. 806 Findley St.,

Cincinnati, Ohio, to Mrs. Pinkham: "For a long time I suffered with chronic inflammation of the womb, pain in abdomen and bearing-down feeling. Was very nervous at times, and so weak I was hardly able to do anything. Was subject to headaches, also troubled with leucorrhoea. After doctoring for many months with different physicians, and getting no relief, I had given up all hope of being well again when I read of the great good Lydia E. Pinkham's Vegetable Compound was doing. I decided immediately to give it a trial. The result was simply past belief. After taking four bottles of Vegetable Compound and using three packages of Sanative Wash I can say I feel like a new woman. I deem it my duty to announce the fact to my fellow sufferers that Lydia E. Pinkham's Vegetable remedies have entirely cured me of all my pains and suffering. I have her alone to thank for my recovery, for which I am grate-May heaven bless her for the good work she is doing for our sex."
