

COUNTY SECURES CHEAP COAL

Makes a Contract for Anthracite at the Lowest Price Ever Offered.

The hard coal bids, opened at the meeting yesterday of the county commissioners for the court house and jail, would indicate a slight slump in the price of hard coal.

No award was made for the seventy-five-foot steel bridge over the creek on Center street. The bids were: C. E. H. Campbell, \$1,830; Canton Bridge company, \$1,575; Wrought Iron Bridge company, \$1,825; A. J. Tullock, \$1,799; Farnsworth & Blougett, \$1,850; Kansas Bridge company, \$1,753; J. R. Sheely & Co., \$1,749.50; and H. B. Mayo, \$1,533.

For the grading, Cash Brothers received the contract for road 49 B at 5.7 cents per yard, and D. Hanson, 26 B, at 5.24 cents, they being the lowest bids according to the tabulation of the road committee.

Regarding the request of the park board that the county board put a sewer in at the Twentieth street boulevard, above Ames avenue, the bridge committee reported that as this was within the city limits nothing could be appropriated out of the bridge fund.

Bids were authorized for the repainting and painting of the county hospital. Claims amounting to about \$1,900 were ordered paid.

A resolution by Commissioner Ostrom, the chairman of the finance committee, was adopted appropriating \$1,000 to the county agricultural society for a poultry and live stock exhibit at the exposition. This was supported by a written opinion from the county attorney to the effect that the county could make such appropriation under the act authorizing the \$100,000 exposition bonds.

No date has yet been set for the hearing of the complaint against Justice of the Peace Simon B. Clark of West Omaha. He has until August 22 to file his answer.

The Best Not Too Good for Your Mouth and Teeth

Economize with anything else but don't do it with your dentistry. It's too expensive for one thing, and you are liable to lose good teeth besides—have the best you can afford. Select your dentist whose reputation is known and place your case in his hands. If you haven't confidence in the man, you had better go to somebody else. Beware of temporary offices which have no standing—they are here today and perhaps far away tomorrow. We don't claim to be the only good dentist in Omaha and never have. We only claim to do first class work at very reasonable prices. Our large practice built up in ten years will testify to the satisfaction we have given the public during that time. Our prices will be the same as heretofore—the best consistent with good work.

THE NEW BANKRUPTCY LAW

It provides for voluntary and involuntary bankruptcy. We wonder whether "doc" would force his "commission factory" into bankruptcy if it stopped paying, and by the same token we wonder whether he would avail himself of the better provisions of this law relating to voluntary bankruptcy.
