NO BREAK IN THE DEADLOCK

Ninth District Congressional Convention Shows No Sign of Result.

ADJOURNMENT IS TAKEN TILL TUESDAY

Five Hundred Ballots Recorded and Then the Hot and Weary Delegates Decide on a Recess—Adjourn Till Tuesday.

The republicans of the Ninth Iowa congressional district are still at sea as to the selection of a candidate to succeed Hon. A. L. Hager of Greenfield and when after creating 528 ballots, an adjournment was taken yesterday afternoon until 2 o'clock next Tuesday afternoon, the deadlock in the convention remained unbroken and the situation is precisely the same as when the informal ballot was taken last Thursday.

On August 25 Cleveland's minstrels will open the season at the Bohony theater. The troupe comes here direct from St. Joseph, where it will open the season at Toole's to a small house. The Bohony has been thoroughly overhauled, cleaned up and decorated and new features added which will make the house more attractive than ever.

The second Presbyterian people are urged forward in their new church enterprise by the limitations of the little church in which they now worship. Plans for the new building are approaching completion and work will soon be begun. At the morning service today Pastor Litherland will speak on "Religious Fishing Reduced to a Science." Evening subject will be "The Necessary and Accidental Conditions of Humanity."

Court Notes.
Harry Fielder of Omaha commenced suit in the district court here yesterday against Charles M. Trepohagen and Emmet Tinley, lessees of Manhattan beach at Lake Manawa for \$2,500 damages for alleged personal injuries.

The following foreclosure suits were commenced yesterday: B. M. Winters, against F. W. Spetman and others; J. W. Squire, trustee, against Fliz Smith and others; National Life Insurance company against S. W. Wesley and others.

Frank Shaffer filed a petition asking a divorce from his wife, Lizzie Shaffer, whom he married in Omaha September 30, 1897. Shaffer alleges his wife has threatened to kill him.

Among the important suits that will come up for trial at the next term of court will be the big damage suit of Deere, Wells & Co., against the Chicago, Milwaukee & St. Paul Railway company. This is the suit arising out of the conflagration in the winter of 1895 in the implement district. At the last trial in the district court the jury disagreed.

John Ernst of Keg Creek commenced suit against John Busch for damages in the sum of \$10,000. The plaintiff alleges that Busch slandered his character by accusing him of bigamy, and that by reason of same he had estranged his wife from him.

Marck C. Ewing, a well known traveling man of this city, has brought suit against the Iowa State Hotel for \$200. He alleges that on May 29, 1897, while standing in the Savery house in Des Moines he was struck by an intoxicated man, receiving injuries that laid him up for eight weeks. His membership in the association entitled him to a week's indemnity in case of disability and it is this which the association under the circumstances refused to pay that he seeks to recover.

Smooth Swindler.
A suave individual giving the name of C. C. Swan, who victimized a number of Omaha merchants with a fake advertising scheme, also managed to work a number of Council Bluffs business men. Accompanied by a woman passing as his wife, Swan called on Rev. W. S. Barnes of the First Presbyterian church and suggested that he be permitted to get out a directory of the church membership. He had 100 copies of the directories printed, and on this guarantee and Rev. Barnes' endorsement, Swan secured a large number of advertisements for the directory from local business firms, and in every case he succeeded in getting the cash for the "ads." He had 100 copies of the little directory printed by A. L. Stonecypher of Omaha, but never paid for the work. Swan and his wife are wanted in Davenport, Ia., where they worked a similar game under the name of Greer.

You may not readily interpret the meaning of the initials above, but if you stop to think a moment they are easy. They are not war elephants, but refer to the largest business concern of its kind in western Iowa. No other house handling the same goods can compete with it either in prices or goods. To see is to believe and an invitation is extended to all to visit this establishment and verify this statement. Only the best goods are handled and these are purchased in large quantities, making it possible to sell cheaper than any other competitors. Our house is known far and wide and stands upon a reputation built from sound and honorable business methods. When wanting anything in our line remember the initials above, as they stand for our house.

carries the day by a motion to lay the matter on the table.

The balloting was then resumed until the 528th ballot had been cast, when Delegate Grizzell of Guthrie moved an adjournment to 2 o'clock Tuesday afternoon in Council Bluffs. This caused D. B. Miller of Montgomery to take the floor and offer an amendment that the convention adjourn at 4 o'clock to meet again in Council Bluffs Tuesday afternoon at 2 o'clock. On roll call by counties being demanded, the amendment carried by a vote of 92 to 20, Audubon and Guthrie and one delegate from Cass voting against it.

The 527th ballot had barely been recorded when Delegate Grizzell of Guthrie was on the floor again demanding the attention of the convention. This time he moved that a recess of twenty minutes be taken and on the motion being put Chairman Patrick ruled that it was carried. The Byers men demanded a roll call and the vote stood 54 for and 56 against, Adair, Cass, Guthrie, Mills and Montgomery voting for and Audubon, Harrison, Pottawattamie and Shelby against. A tie vote under ordinary circumstances is that the motion is lost, but Chairman Patrick holding that the call by counties was practically an appeal from his decision, held that the motion was carried and a recess for twenty minutes was taken.

On reassembling the 528th ballot was taken at 3 o'clock and the situation remained unchanged. It was apparent that the delegates, becoming restless and many of them disgusted, and when Delegate Grizzell of Guthrie again rose to his feet and moved that a recess again be taken until 4 o'clock there was little if any opposition and the motion prevailed and the convention practically stood adjourned, although the chairman and secretary had to be on the scene at 4 o'clock and officially declare to the empty benches that the convention of the Ninth congressional district of Iowa stood adjourned until 2 o'clock Tuesday afternoon.

DEMOCRATS SELECT DELEGATES.
County Convention Picks Three Sets for Three Nominating Conventions.

The convention of the democrats of Pottawattamie county held yesterday to elect three sets of twenty-three delegates each to attend the state convention of the party, which meets at Marshalltown September 5, and the judicial and congressional conventions, which will be held in this city next Thursday, August 25, proved a very tame affair indeed. No enthusiasm, even of the mildest form, was manifested in the proceedings and the attendance was of the slimmest. The convention was held in the district court room across the hall from where the republicans of the Ninth congressional district were fighting out their battle, and when P. B. "Big Boy" city's chief of police and chairman of the democratic county central committee, called the delegates to order there was hardly a corporal's guard present and that was composed in the main of the members of the police force and employees in the different city departments.

W. Brooks Reed, city treasurer, was named as temporary chairman and George E. R. Hunter as secretary. The following were appointed as a committee on resolutions: C. J. Dobbins, Sam Underwood and W. W. Cones, and on motion of Colonel A. T. Whittlesey, who said he knew something about the time it took for a credentials committee to do its work, an adjournment was taken until 1:30 in the afternoon.

On reassembling in the afternoon the temporary organization was made permanent and the convention got down to the business in hand. The committee on credentials reported that all the delegates in attendance were duly accredited and the report was adopted. The following were the committee was appointed to select and report three sets of delegates: Adam Ring, Belknap; John Gunnison, Boomer; William Currie, Crescent; McManus, Emil Schurz, John Halle, J. R. Danforth, P. J. Sullivan, S. G. Underwood, Ed. Aylesworth, P. A. Bixby, Ed. Egan, Council Bluffs; H. S. Keg Creek; A. McCandless, Knox; R. C. Williams, Lewis; J. H. Stubb, Minden; James Organ, Neola; Pat Lane, Pleasant; Lee Jones, Rockford; William O'Neill, Valley; D. L. Weir and J. N. Wolf, Council Bluffs.

Three Sets of Delegates.
The committee reported the following three sets of delegates, which had evidently been cut and dried beforehand, and the report was adopted:

State Convention—Sylvester Dye, Macedonia; Warren Hough, Greenwood; Benjamin Ayers, Denny, Council Bluffs; S. G. Underwood, Council Bluffs; W. C. James, Council Bluffs; A. W. Wyman, Dr. Christensen, Victoria; W. W. Boyer, S. B. Wadsworth, E. Shubert, J. J. Stewart, F. A. Bixby, J. K. Cooper, J. R. Macrae, Council Bluffs; Keeffe, Hardin; John Warner, Valley; Charles M. McKenzie, Silver Creek; P. W. Kramer, Lewis; W. W. Gardner; J. R. Black, Griswold.

Congressional Convention—L. A. Casper, J. R. Dietrich, Joe Kline, A. T. Whittlesey, R. T. Monfort, Emmet Tinley, D. L. Weir, W. G. Egan, C. A. Macdonald, John P. J. Sullivan, John Hinkel, Council Bluffs; Dr. J. W. Hemsted, Carson; Con Tooney, Crescent; Lee Jones, Loveland; C. E. McMullen, Neola; Robert M. Menzies, Livy's Springs; John T. Hazen, Avoca; William O'Neill, Hancock; Dr. Harry Peters, Minden; J. Gunette, Rockford; William Currie, Lewis; J. R. Black, Griswold; John Underwood, Herman Mendel, Neola.

Judicial Convention—E. E. Aylesworth, Fremont; Benjamin J. J. Dobbins, Paul C. Aylesworth, Herman Schurz, J. N. Wolf, J. R. Lewis, Phil Warcham, James Herald, Frank Guanello, W. W. Ayres, Thomas Maloney, Council Bluffs; Fremont Benjamin, Avoca; Riley Clark, Neola; W. W. Walker, Crescent; Roscoe Barton, Avoca; M. Scott, Pleasant; H. F. Sayer, Keg Creek; W. Crow, Minden; Dr. S. T. Toby, Oakland; Lee Jones, Rockford.

At the last state democratic convention a resolution was adopted conferring on the executive committee of each county the power to appoint the committeemen from the various precincts. This is not altogether favored by the country 16-to-1 men and the appointment of this committee was the only thing in the convention that caused a slightest ripple. Some of the delegates were in favor of curtailing the power of this committee and after some discussion on the matter a resolution to the effect that in the future the executive committee recognize the committeemen recommended by the various precincts was carried. The executive committee was named as follows: Judge W. C. James, Council Bluffs; chairman; W. H. Ware, Council Bluffs; secretary; J. W. Hemsted, Carson; Dr. S. B. Toby, Oakland; and Alderman J. B. Atkins, Council Bluffs.

New County Committee.
W. B. Reed was selected as chairman of the county central committee, which was named as follows: Belknap, W. D. Rogers; Boomer, F. J. Smith; Carson, George S. Dye; Crescent, Con Tooney; Egan, P. J. Frizzelle; Garner, J. R. Macrae; Grove, Peter Fredericksen; Hardin, Lmer Keith; Hazel Dell, Thomas Leonard; James, S. D. Bixby; Keg Creek, H. F. Saar; Knox, Roscoe Barton; Layton, John Underwood; Lewis, R. C. Williams; Lincoln, J. C. Black; Macedonia, S. Dye; Minden, J. W. Crow; Neola, A. O. Wyland; Neola, T. S. Penlon; Pleasant, A. M. Scott; Rockford, H. L. Peus; Silver Creek, M. McKenzie; Valley, T. L. Meyer; Washington, R. S. Williams; Waveland, H. Talbot; Wright, J. R. Black; York, Uriah McLean; Kane, First ward, C. H. Banter, Jesse Walters; Second ward, W. B. Fisher; J. R. Lewis; Third ward, J. B. Dietrich; P. J. Sullivan; Fourth ward, Henry Atkins; Arthur Slack; Fifth ward, C. A. Machan; J. J. O'Hearn; Sixth ward, W. C. Boyer, William Whiting.

Some of the "faithful" were of the opinion that Chairman Bixby had been a little too hasty in issuing a call for the county convention to be held in September, as they

thought it would be best to wait and first see whom the republicans would nominate for the different offices, and cut their cloth accordingly. Finally a motion prevailed to postpone the county convention until some date after the republican convention, which has not yet been called by County Chairman Frank Everest.

Indiana Defending Their Country.
MERRIDA, Yucatan, Mexico, Aug. 20.—News from the southern part of the peninsula that the rebel Indians are taking extraordinary measures to prevent information regarding their conditions and state of military preparation reaching the whites. Any Indian suspected of betraying tribal secrets is promptly condemned. Several parties of the rebel Indians are taking measures to penetrate the wilderness where the Indians are most numerous have never returned. Among them were a number of Chinese traders and Turkish merchants. The Indians trade actively with British colonists of Belize, and will give them no information regarding their number and military strength. Felipe Ake, who was their chief, has recently had to flee for his life with his family, the Indians having become suspicious of his wishing to make peace. It is probable the government will undertake a vigorous campaign to bring them under control.

WILLIAM TALKS OF HIS EMPIRE.
Strong Because Behind It is a Sentiment of Unity.
MAYENCE, Hesse, Aug. 20.—Emperor William, accompanied by the grand duke of Hesse, arrived at 6:45 a. m. today to attend the review. It is his first visit to the city since his accession. Mayence is an fête and brilliantly decorated. On leaving the train the emperor proceeded on horseback to a triumphal arch at the castle gate, where the chief burgomaster delivered an address to his majesty. Emperor William, replying, said: "worshipful burgomaster for your kind words. I am not a stranger to your city. When here as a boy I conceived ideas similar to those you have just expressed. The holy Roman empire of the German peoples fell because it was not built on a national foundation. Its decadence was due to lack of patriotism and cohesion. The German empire of today arose out of a strongly felt sense of union and of a common head and it reared itself on the basis of love of fatherland. I am firmly determined to serve with all my strength the work of my grandfather and that peace which is so dear to us. This I shall only be able to do if you succeed in maintaining our prestige with our neighbors. To this end the harmony and co-operation of all the German race and all German individuals is necessary."

I rejoice to see how beautifully Mayence has grown. You may be assured I will always feel a warm interest in your future and shall do in your behalf all that lies in my power so that you may be able uninterruptedly to live in civil concord, conduct your trade and to cultivate your vineyards.

I shall always be mindful of the fact that it was from the house of my dear cousin, where I am today a guest, that my grandfather started on his westward march during which, with a firm hammer stroke, he set the German empire on its feet. Thank you for your friendly reception and for these beautiful decorations! I beg also to thank you, my fellow citizens!

Considerable excitement was caused here this evening by the arrest of five Frenchmen who were making anti-German demonstrations.
