Come to Take Part in the National Association's Tournament.

CONTESTS WILL LAST ALL THE WEEK

Apparatus Used by Firemen-Today's Events.

What the officers hope wift be the most Interesting meeting of the National Pires filled with Montana people will leave the purpose of passing judgment upon the men's association will begin in Omaha this Billings tonight, coming over the Burling- fruit raised upon the Nebraska farms and morning on the grounds just laid out for ton. The party contains between 500 and | put in competition with that from the older | the purpose north of the exposition. Visits 600 neonle and another train is expected to states. ing firemen are coming from all parts of leave tomorrow. It is estimated that close | Oregon came to the front Saturday with the country and the attendance promises to 1,000 Mentana people will be here to an abundant supply of pears, peaches, to eclipse anything previously recorded Participate in the exercises. The presence of the exposition has been an additional attraction and many of the visltors are accompanied by their wives. Features that Will Fill the Days with which will add materially to the total at-

their equipment and in uniform and there tractions. Fully a dozen special events. will be a generous representation of the each of which is of interest to a large pro-Omaha department, including equipment portion of exposition visitors, will mark the

work by this important branch of the pub- interest. with horses and equipment and the grounds times for action.

Departments Already Represented.

Up till last evening the following depart ments had arrived in the city: Central City, Colo., with seventeen men; Winfield, Kan., with sixteen men; Ottawa, Kan., with twenty-eight in the party; Kansas City paid de partment with horses and fourteen men-Denver paid department, with fourteen menscofn paid department, with ten men Farmington, III., with thirty-seven in the party; Polo, III., with forty-eight in the party; Wier City, Kan., with fifteen men: Mt. Carroll, Ill. with forty-five in the party: Maryville, Kan , with twenty-five in the party. Fred A. Wood, president of the Barkman of Decatur, III., secretary, and E. S. Alderman of Marion, Ill., vice president, are the officers who are now here to receive the visitors and make the arrangements for the tournament. C. W. Devor of Decatur. Ill., chief of the department there, accompanied by Policeman H. W. Koeppe and C. E. Moore of the same city: C. F. Buck of Monmouth, Ill., chief of the department there, and treasurer of the IIlinois State association, accompanied by his

wife, and A. J. Graff, chief of the department at Dixon, Ill., are among the visitors. The grounds where the tournament will take place have been put in excellent condition for the meeting. A fine race track has been constructed and carefully rolled, and for the fire fighting contests. A large amphitheater has also been erected to acc modal the visitors, and every other arrange ment has been made for the comfort of the firemen and the success of the meeting.

Program for Today.

This morning the tournament will open with a parade over the down town streets and prizes will be given as follows: Largest veteran fire department, prize

Best appearing veteran company, prize

Veteran company of twenty members coming the longest distance, prize \$100 Largest volunteer department, prize \$100 Best appearing volunteer company, prize

Volunteer company coming the longest

distance, prire \$190.
Paid company coming the longest distance

and competing in contests, prize \$56.
At I o'clock this afternoon the fun will and hub races:

Straightaway hose race, free for all First prize \$100, second \$50, third \$25.
Straightaway hook and ladder race, free

for all First prize \$100, second \$50, third Single men's fifty-foot coupling contest,

First prize gold metal valued at \$25, sec-ond \$20, third \$10. Each coupler using his own coupling; coupling must pass inspec Novelty hose race, teams to run with cart 200 feet to hydrant lay 200 feet of

uncouple fourth section, drop back and take out second section, put in fourth section and attach pipe to end of third section, Association rules to govern, hose sections numbered in the order they leave the car First prize \$100, second \$50, third \$20. Ladder climbing contest. First prize \$20 and gold medal valued at \$10, second \$10.

Pempier climbing contest: First prize second \$50.

The Epworth league is planning for a LABOR DAY'S GREAT PARADE

One of the Most Imposing Ever Made in the city Will Occur This Morning.

Today's fahor day parade will be one of the most extensive and imposing over made in the city. One of its notable features will be the presence of all the firemen who are the city to take part in the firemen's Together with these will be the representatives of the city department and the Durant Engine company from the Union Pacific shops. Then all the labor unions of the town, which are stronger bumerically than they have been in years, will be out in full force, together with the South Omaha unions, the latter having the unusual privilege of getting off for a full day, the packers having shut down in honor of the event. The parade will start off at Capitol avenue at Fourteenth street and over a route including the principal downtown streets, with a countermarch of ten blocks on Sixteenth street. The parade will livide after the countermarch, the firemen going north from Furnam street to their grounds north of the exposition grounds, and the laboring men gast and south to Turner park. At Turner park the speaking end sports will take place. Samuel Gom pers, head of the American Pederation of Labor will be the principal speaker. Sidney J Kent, deputy labor commissioner for Nebraska, will also speak. After the speaking a long and interesting program of sports will be carried out-

QUEER FREAK OF LIGHTNING

Bolt Passes Through a House from Top to Bottom and Then Goes Buck Again

A flash of lightning during the rain yesterday afternoon played a strange freak in the vicinity of Ninth and Leavenworth structs. The bolt struck a small frame cottage in the rear of 109 Leavenworth ing to the cellar, where it took a sudden turn upward and bored its way back through the floors and ceilings and left the house the way it entered at a spot about John F. Norman, a Barber. Expe- a foot from its original point of entrance. Seven holes, about two inches in diameter, as clear cut as though made with an auger, show in the floors and ceiling. The woodwork of the floors and celling was of Trade barber shop, promises to bring het singed and contrary to the usual rule no fire resulted from the visit. George McGinn and her four children were in an adjoining room to the one Norman tells the following story. He was through which the bolt passed. They were a crunching grinding sound and was ac-

RELIEF FROM PAIN.

Women Everywhere Express their Gratitude to Mrs. Pinkham.

Ars. T. A. WALDEN, Gibson. Ga., writes: " DEAR MRS. PINKHAM: Before tak-

ing your medicine. Hie was a burden to me. I never saw a well day. At my monthly period I suffered untold misery, and a great deal of the time I was troubled with a severe pain in my side. Before fluishing the first bottle of your Vegetable Compound I could tell it was doing me good. I continued its use, also used the Liver Pills and Sanative Wash, and have been greatly belped. I would like to have you use my letter for the benefit of others."

Ars. FLORENCE A. WOLFE, 515 Mulberry

St., Lancaster, Ohio, writes: "DEAR MRS. PINKHAM:-For two years I was troubled with what the local physicians told me was inflammation of the womb. Every menth I suffered terribly. I had taken enough medicine from the doctors to cure any. one, but obtained relief for a short time only. At last I concluded to write to you in regard to my case, and can say that by following your advice I am now percetly well."

Ars. W. R. BATES, Mansfield, La., writes: " Refere writing to you I suffered dreadfully from painful menstruation, leucorrhora and sore feeling in the lower part of the bowels. Now my friends want to know what makes me look so well. I do not besitate one minute in telling them what has brought about this great change, I cannot praise Lydia E. Pinkham's Vegetable Compound enough. It is the greatest
