The special examination given has done good work during the year, having endeavored to do justice to all claimants, and many just claims have been admitted that would otherwise have been rejected. There and Webster Sts. Telephone the commissioner, of ratings for the same is much complaint among pensioners, says or like disabilities of different claimants. This complaint has always existed and al-\* 3:05 pm \*12:55 pm ways will, with our present system and established practice, he declares, and it can-9.50 pm • 6.00 am not be remedied without radical change of

avstem. "The practice requires." says the report, that medical examiners shall make a diagosis and complete and accurate pen picture of the disability or disabilities of the claimint. They are paid a small fee for each xamiliation and detailed report and such xamination is very often, no doubt, hurried nd superficial. Therefore many test exsimultons are male. As an illustration, is stated that the bureau recently found pecessary to cause a test examination to made of a pensioner. He was sont before our medical boards, three members each, all present. All of these boards were in the classified service. Each examined the

and estimated the claimant's disabilities as same conditions, same instructions, and all within forty-eight hours. These physicians are each and all, I am informed, skilled in their practice, in every way reputable prac-

titioners." The secretary of the interior sustained the action of Commissioner Byans in 3,326 appealed cases acted upon and reversed his action in only 356 comes and in these reversuls no precedents are set to change the established practice of the bureau. Each case, according to the instructions of the secretary of the interior, must be consid-

the requirements of the law. It has been shown that many fall to require necessary identification of pensioners, to require pre-. 9 00 am this reach of water and the land on both sentation of pension certificates by the pensides of R, and now the coast survey charts sioners at the time of taking such acknowlhave recognized the claims, so that Bailey's edgments and they have violated the law Mistake has become a geographical fixture also in the use of professional or stock witnesses.
