

OFFER MADE TO MANDERSON

General Has Been Asked to Aid War Department Investigation.

FRIENDS HERE BELIEVE IT IS TRUE

Information Comes from Washington—Probability of the Offer Being Declined by the General.

General Charles P. Manderson of this city has been offered a place on the government commission to be appointed by President McKinley to investigate alleged abuses in the War Department.

General Manderson is now in Philadelphia, on his way home from Bar Harbor, Me., where he went to recuperate after a period of illness this summer. His friends here believe that he has been offered and has declined to accept the appointment.

The report that General Manderson was likely to be appointed to the commission to represent the United States in the peace negotiations with Spain, recently sent out from the east, was undoubtedly based on the private place on the commission to investigate the War Department.

General Manderson was at the White House on Thursday and spent some time with the president and it is thought that the appointment was offered shortly after this interview.

The appointment of General Manderson will insure the presence of three experienced soldiers on the investigating commission if those offered places decide to accept.

Major General Schofield and ex-Senator John E. Gordon of Georgia have been offered places on the commission. The three generals are not only personally acquainted but are warm friends, and two of them have served in the United States senate together.

Some doubt is expressed here whether General Manderson will accept the appointment on account of his business here. As general solicitor of the B. & M. railroad, he is a very busy man, and on account of his recent sickness has been compelled to be away from his office a great deal of the time since last spring.

WASHINGTON, Sept. 10.—The president has urged the following named gentlemen among others to accept places on the commission requested by Secretary Alger to investigate the conduct of the war.

Lieutenant General John M. Schofield, General John P. Gordon, General Granville M. Dodge, President D. C. Gilman, General Charles E. Manderson, Hon. Robert W. Lincoln, Daniel S. Lamont, Dr. W. W. Keen, Colonel James A. Sexton.

The message which President McKinley addressed to each of these gentlemen: Will you render the country a great service by accepting my appointment as a member of the commission to examine into the conduct of the military, quartermaster and medical bureaus of the War Department during the war, and into the extent, causes and treatment of excesses in the field and in the camp? It is my desire that the full and exact truth should be ascertained and made known. I cannot too strongly impress upon you my earnest wish that this commission shall be of such high character as will command the complete confidence of the country, and I trust you will consent to serve.
