ONLY ABLE TO END ONE GAME

Baltimore and Brooklyn Try Hard for a Double Header Event.

NEITHER ABLE TO SCORE IN THE SECOND

Miller's Wildness Costs Brooklyn the First Game and Steadiness of Kennedy and Dunn Save the Last One.

BALTIMORE, Sept. 30.—The Orioles could only win one game from the double-header with Brooklyn today, but they made a tie of the other, in which neither side scored. In the first game the Orioles kept uniformly three runs to the good and did not exert themselves as long as long as the margin was maintained. Miller's wildness was fatal to his club's chances. The second game was a pitchers' battle, in which honors were even. A hard drive injured Kennedy's hand in the third and he gave way to Dunn. Score, first game: Baltimore, 1; Brooklyn, 1. Second game: Baltimore, 1; Brooklyn, 1.

WASHINGTON, Sept. 30.—The Senators began by hitting Rube much harder than

the Giants did Killen and got a lead, but errors and Killen's wildness permitted the visitors to make it a game. Attendance, 700. Score: Washington, 1; Senators, 0.

SOUTH OMAHA NEWS.

An adjourned meeting of the city council was to have been held last night, but as only four members showed up an adjournment until next Monday night was taken.

At the last meeting a resolution was passed instructing City Clerk Carpenter to add certain amounts to the assessment of the corporations. Acting under the advice of his attorneys, Clerk Carpenter decided yesterday to disobey the orders of the council in this respect and prepared the following communication bearing on the subject, which he would have read had there been a meeting.

I have come to the conclusion that if I enter the resolution and assessment and make returns to the city treasurer several days before the expiration of the assessment of testing the legality of the assessment and I have been advised that the assessment is invalid. If I do not enter the resolution as directed or make return to the treasurer the city council would have a right to bring an action to compel me to do so, and in that action the question of the legality of the tax will be decided, thus disposing of the action in one suit, which would incur but little expense, rather than in several suits at a greater expense.

In his decision denying the request to vacate the order, Judge Waterman spoke bitterly on gambling, including in his denunciation not only the race track, but the Board of Trade and its operators.
