HAYDEN'S IMMENSE PURCHASING A FAVORABLE TIMES HAYDEN'S

This is the keynote of the unusual values at "The Big Store." Experienced buyers in all great markets watch every opportunity. No deal is too big if the price and quality are right. For the Exposition year we placed the largest orders manufacturers had ever received from the Trans-Mississippi country and secured great price concessions. In addition to regular orders, and to satisfy the tremendous patronage we have been getting, we bought many large lots when favorable opportunities were presented and have been enabled to offer a succession of special sales on the very best goods at 1/2 and sometimes less than half regular prices. We have concentrated all our energies and resources to make this Ak-Sar-Ben week one of the greatest in American merchandising. Profits have been cut to the smallest margin and every advantage derived from our special purchasing will be offered in these great sales this week. Unlimited assortments of the choicest merchandise in the world go on sale at 30 per cent to 50 per cent under regular values. Agents for Butterick Patterns. Exposition visitors are cordially invited to make themselves at home in the Big Store. Bundles checked free.
