ECONOMY IN THE HOUSEHOLD

Keeping a Family of Four on an Income of Fifty Cents a Day.

SAMPLE BILL OF FARE FOR ONE DAY

Dr. Lankton Talks on the Question of Sanitation in the Home—Some Potent Causes for Ill Health.

Mrs. MacMurphy opened the morning session of the Household Economic association with an interesting lecture on how a family of four can live on 50 cents a day.

As a sample day's food for the family of four, which was to cost but 50c, she selected for dinner a chateaufe of beef or mutton—meaning beef or mutton chopped fine and covered with rice—stewed tomatoes, whole wheat bread and butter, a cereal pudding and cereal coffee.

Table with 2 columns: Item and Price. Includes items like Two pounds of beef (for soup) at 6c, One-half can tomatoes at 10c, etc.

In her opinion a couple could buy and furnish a home and support themselves and two children on an income of \$60 a month.
