IOWA SOLDIERS PLAY FOOT BALL.

Strong Team Organized at Camp Mc

Kinley for Business DES MOINES, Oct. 15 .- (Special.) - There are now about 1,000 of the boys of the Fifty second regiment who have reported for duty at Camp McKinley. They have practically no restriction imposed upon them and they have been coming and going as they pleased for the last day or so. About 400 are now at home sick, and they will likely receive their discharge papers as soon as those who have returned. None of the officers are reported ill. There are about thirty privates at the Hyde sanitarium at the present time who are yet down with the fever. None of these are in what would be called a dangerous condition and it is hoped that the entire regiment will be entirely free from disease in a few weeks.

The boys in the camp are endeavoring to pass away the time as pleasantly as they can. Besides the other amusements which they have resorted to is foot ball. Two wild and woolfy teams have been organized and the boys are letting their hair grow and devoting their time to the "high kick" and other gay achievements. They hope to be in fine condition before the camp breaks up and are making plans to challenge any other team in the country for a match game. The rain prevented them doing much in the way of field work this morning, but if the weather is favorable tomorrow will see some lively practice. All of the boys are getting energetic and the prospect is so bright for them whipping every team in the

Get Strength, Vigor, Clear Complexion and Good Digestion, Not by Patent Medicine, But in Nature's Own

Any honest physician will tell you that there is but one way to get increased flesh; all the patent medicines and cod liver oils to the contrary notwithstanding.

Nature has but one way to increase flesh strength and vigor, mind and body, and that is through the stomach, by wholesome food, well digested. There is no reason or com-

They may not think they have dyspepsia but the fact remains that they do not eat enough food, or what they cat is not quickly and properly digested, as it should be.

Dr. Harlandson says the reason is because the stomach lacks certain digestive acids and peptones, and deficient secretion of gas-

Interesting Affair.
The gridiron knights of the Omaha High school swooped down upon the representaives of the Tekamah institution of learning vesterday afternoon upon their native heath and gave them a good drubbing. It was Omaha's first game in the series for the interscholastic championship and the opponents, the score being 23 to 5. Although

eiver, administered a decisive defeat to its opponents, the score being 23 to 5. Although onesided it was a good game.

Cmaha showed up in great form. The offensive work was of an excellent character. Every time the local canvasback athletes got the ball, with few exceptions, they rushed it right straight down to and over the goal line. Their defensive work was also excellent, for Tekamah's touchdown was somewhat of a flukey nature. That is, it was a fluke in that Omaha was just preparing to score another touchdown when the pigskin was fumbled. There was no fluke thereafter, when Wilson, a Tekaman lad, snapped up the ball and, after a flying journey across the whole field, pushed his moleskin form over the goal line for a touchdown. This was the lime-light feature of the struggle, which was witnessed by a good crowd including a nice lot of Omaha rooters, whe accompanied the toam.

Captain Tracy of Omaha won the toss, taking the wind. Promptly at 3:05 Martin kicked off for Tekamah to the twenty-five-yard line, Engleharte returning the ball thirty yards before being tackled. By fast bucking Omaha carried the ball to the tenyard line, where it lost it on a fumble. Tekamah played strongly and it was eleven minutes before Thurkies was sent through for the first touchdown. Tracy kicked a perfect goal.

Martin again kicked off to the thirty-yard

for the first touchdown. Tracy kicked a perfect goal.

Martin again kicked off to the thirty-yard line against a strong wind and Engleharte again returned it thirty behind splendid interference. Omaha worked well down the field and was about to score when Willson secured the ball on a fumble and went down the field for Tekamah's first score, fourteen minutes after play started. Martin missed an easy goal. Thomas kicked off and Omaha followed the ball so fast that it downed Martin behind the posts. Martin then kicked off for Tekamah and the half ended with the ball in center of field.

the half ended with the ball in center of field.

In the second half Thomas kicked off against a heavy wind. Martin was downed in his tracks. The training of the Omana team began to show itself and they sent Tracy over the line in two minutes for a second touchdown. Tracy kicked goal. Having attained a safe lead, Omaha went in to make it decisive. On kick-off to Hutchison he returned the ball lifteen yards and Engleharte was sent through right and left until the ball reached center of field. Here it was lost and Tekamah, failing to gain, tried to punt. Prichard got through, blocked the kick and fell on ball for Omaha. Thurkles and Tracy circled the ends for good gains and Engleharte was put through for the third touchdown. Tracy failed to goal, Time: Fifteen minutes.

BALTIMORE, Oct. 15 .- Boston and Baltimore wound up the championship of 1898 today in a slugging contest. The ex-champions should have won, but fielded poorly, and their errors gave the game to the twotime pennant winners from the Hub. Three innings were played of the second game when darkness put a stop to hostilities. At the close Boston had four runs, six hits and two errors, Baltimore six runs, six

BESCH SHOW FOR THIS MONTH Omaha Dog Fanciers Preparing for a

Competitive Exhibition. The dog fanciers of this section of the holding a dog show in Omaha during the five days commencing October 25, which promises to eclipse anything of its kind ever attempted in the west. Although the preliminary stages have just been passed, 150 dogs of fine pedigree have already been entered, and reports are coming in daily which indicate that fully twice that number of the best bred dogs in the United States will be on exhibition.

So great have been the indications of a big show that difficulty has been experienced in security. big show that difficulty has been experi-enced in securing quarters large enough to accommodate all of the animals. The northwest corner of Sixteenth and Burt streets has been selected as the best place available, and J. P. Jackson of this city has been selected as superintendent. Mr. Jackson will give his personal attention to the care of the animals on exhibition, and his reputation as a dog funcier and expert in the proper care of fine animals gives assurance that the dogs will be well cared for.

Some of the most celebrated dogs in the country will be on exhibition, among them nearly 100 St. Bernards from the kennels of Pratt of Arkansas, the most noted breeder of these dogs in this country. The famous Howard kennels will send a number of line animals of different breeds, all prize win-

ners.

A prominent feature of the show will be the fact that Miss Whitney of Lancaster, Mass., the most noted judge of fine dogs in the country, will pass judgment upon the various animals. Miss Whitney is coming to visit the exposition and will be in the city during the entire time the show will be open, and she has consented to act

Entries may be made up to and includ-

ing October 22 at the drpg store at the southwest corner of Fifteenth and Far-nam streets. To stimulate the breeding of fine dogs in lowa and Nebraska the entry fee will be waived for dogs from these
