Next Important Step in the Union Pacific Company's Reorganization.

BURT WILL BE RE-ELECTED PRESIDENT

Pierce to Retire from the Chairmanthip in Favor of Probably Schiff, While Harriman Will Remain Head Executive Committee.

Since the recent annual meetings of the Union Pacific and the Oregon Short line, which were held in Salt Lake City simultaneously, there has been much speculation as to the meetings of the two Boards of Directors that must soon follow the annual meeting of the stockholders. General Solicitor Kelly of the Union Pacific said Friday morning that the meeting of the recently elected directors of the Union Pacific had Asphalt company, went west on Thursday

that the meeting of the directors shall be | The excursion of 600 exposition visitors held as soon as practicable after the an- from Kansas points brought in by notice must be given of the directors' generally agreed that it is not far off. The directors' meeting will probably be held in New York City. At this meeting, it is believed by those best posted, that Horace G. Burt will be reelected president, and that a new man will at the exposition be elected chairman of the board of direc-

Winslow S. Pierce is now chairman of the board, but is also general counsel. He was not general counsel at the time he was first chosen chairman of the board. It is not thought he will longer hold the two offices. The name of Jacob Schiff of New York, who played a prominent part in man-aging the finances of the reorganization, is on the Ohio division from Cincinnati to mentioned as chairman of the board to suc-parkersburg. This portion of the road has seed Mr. Pierce. There is no doubt but that some rather heavy grades and these are ceed Mr. Pierce. There is no doubt but that W. F. Harriman, the leading director of Illinois Central, will be again chairman of the executive committee of the directory of the Union Pacific. He has held this position since the

At the directors' meeting it is possible cation At the directors' meeting it is possible cation with tramps on his trathat something may be done toward taking Devil's lake, North Dakota, since tion of the old branch with the parent system will be allowed to drift along for awhile. Ten out of the fifteen new directors of the Short Line are Union Pacific men and they has the bargains. Read the ad on page 5 control the Short Line in a manner most friendly to the Union Pacific without giving offense to the minority of five, who are not in any hurry to see the consolidation of the

Secures Control of the San Francisco

& San Jonquin Road. SAN FRANCISCO, Oct. 21 .- Robert Watt, vice president of the San Francisco & San Joaquin Valley railroad, admits that the placing of 18,000 or more shares of the company's stock in escrow virtually means that the Santa Fe railroad is to be extended to this city. In an interview Mr. Watt said: "The stock has been placed in escrow with the Union Trust company and an option given, all for the purpose of enabling the Santa Fe to get Into San Fran- | ber 23. sicco. The option of the stock now in the possession of the Union Trust company has

Travel Still Good. The arrivals of Friday morning over the various terminal lines constituted about a nominal exposition crowd. There were no fortably well filled. This was especially noticeable in the day coaches, which of late have been carrying the great bulk of the exposition travel. Passengers from all the country stations within a radious of 150 miles of Omaha filled all of the coaches on were late again, the engineers having trouble present their new sketch, entitled "The making time against the high wind. The Road Queen," in which Miss Eva Remington and the Omaha road's train from St. Paul is made up of the following: Madame Planta was one hour late.

Comes to the Exposition. F. S. Lewis, general manager and treasurer of the Pennsylvania & Northwestern railroad, arrived in Omaha from Philadelphia yesterday for a few days' visit at the exposition. He had expected to be here at the same time as President Thomson

and the directors of the Pennsylvania, by which system his line is leased, but was detained in the Soo district of Canada where he has important canal interests, After inspecting the exposition Mr. Lewis and Mr. Somers of the American Dredging company, Camden, N. J., will take a trip to Boise City, Idaho, to look after some mining interests they have there.

No Meeting of Union Officials. CHICAGO, Oct. 21 .- On account of the fact that a number of prominent railway men left Chicago for their homes the TWO trains daily, 8:50 a. m. and 4:35 p. m. meeting of the officials of the railway unions which was to have been held here today has been abandoned.

Santa Fe Sells Its Lands. TOPEKA, Oct. 21 .- President Ripley of the Santa Fe has issued a circular abolishing
