

VIEW PLAN WITH SUSPICION

Property Owners Are Unwilling to Be Surrounded by Tracks.

EAST OMAHA COMPANY WANTS INGRESS

Ascertains Other Roads Will Be Enabled to Enter Omaha if Petition to Occupy Certain Streets is Well Received.

While no protests have as yet been filed, it is possible that considerable objection is yet to be made to the ordinance by which the East Omaha Bridge and Terminal company is to be given the right to occupy the right-of-way to construct railroad tracks in the eastern portion of the city from Fourteenth and Webster streets to Eighth street and Capitol avenue.

A good many property owners who live in the part of the city that will be affected by the ordinance look upon the statement of the company that the tracks are to be used in enabling one or more railroad companies to secure admission into the city, as quite the other hand, they seem to be of the opinion that the scheme is simply intended to bottle up one of the most convenient ways a railroad would have of coming into Omaha.

HAULING AWAY THE EXHIBITS

Freight Men Giving Themselves No Unbusiness About the Business.

BULK OF THE STUFF IS GOING FREE

Agreement Made at the Beginning is Now Being Fulfilled—Revenue to the Railroads is Very Light.

The freight men are not having much harder work in watching the return shipments of exhibits and other material from the exposition than are the passenger men in standing back enjoying the sight of the Midway folks paying two-thirds regular fare.

Some of the exhibits were sent in here on the payment of full freight rates with the understanding that they would be sent back to their point of origin free of charge, providing they had not changed hands while here.

Ayer's Hair Vigor

"I have sold Ayer's Hair Vigor for the past thirteen years and have known of no case where it has failed to give satisfaction. I sell more of it than of any like preparation."

"For five years I have been selling Ayer's Hair Vigor under a positive guaranty that it would produce hair on a bald head and restore gray hair to its natural color. I have not had one bottle returned, nor has there been a single case where the dressing was used that it did not do all that was claimed for it."

Removes Dandruff

"For some years my hair had been coming out. It had become very dry, and my scalp was covered with dandruff. I have applied Ayer's Hair Vigor regularly for some weeks now, and I could hardly trust my senses when I first found that a new growth of hair had started. It is much thicker than formerly and of good color. The dandruff has disappeared, and my scalp seems to be in a perfectly healthy condition."

"Some time ago my head became full of dandruff, which caused me great annoyance; after a time the hair began to fall out. The use of Ayer's Hair Vigor stopped the hair from falling and made the scalp clean and healthy."

Restores to Gray Hair its Original Color

"I think there is no toilet article in the world so good as Ayer's Hair Vigor. I am fifty-three years old, and my hair would have been all white now if it were not for the use of the Vigor; but the application of that dressing has preserved its color and kept it soft and glossy."

Makes Hair Grow

"For about five years my hair kept falling out, until I was almost bald. Some New Hampshire friends asked me to try Ayer's Hair Vigor, and insisted on getting it for me. I used it during that summer and fall, and found that a new growth of hair had started. I continued to use it steadily for about four months, and at the end of that time had as good a head of hair as one could wish."

Your druggist sells Ayer's Hair Vigor: \$1.00 a bottle; six bottles for \$5.00.
