#### ROTTENNESS IN AN ASYLUM Ugly Stories of Neglect and Mismanseement in Colorado's Institution for Insane.

PUEBLO, Colo., Nov. 10 .- For several years ugly rumors have been afloat regarding the management and condition of the State Insane asylum and an investigation is now being made by a committee of the State Board of Charities and Corrections. Although there has been no public examination of witnesses, much evidence has been obtained, it is alleged, tending to show gross neglect of the inmates.

It was learned that the women's ward, containing more than 100 patients, 'ad been left for weeks at a time with absolutely no attendants whatever. A child was born to one woman who had been confined in the asylum for six years. One patient died unattended in his cell. It was shown that the patients were huddled into cramped quarters without proper room or attention, while ample rooms were retained and set aside for guest chambers for the attendants and their

The best information the committee could secure was that if a patient recovered he might still remain in the asylum indefinitely unless he contracted some disease that would make an examination by the physician necessary, in which case the physician might discover that the man was sane.

Dr. P. R. Thom has been superintendent of the asylum twenty years and an investigation was requested by him when he icarned that the board was preparing to make an inquiry concerning charges that had been made against the conduct of the

# GROWTH OF POSIAL SYSTEM

Courth Assistant Postmaster General Presents Interesting Figures in His Report.

WASHINGTON, Nov. 10 .- The annual reclose of the fiscal year 73,570 postoffices in the United States; 3,816 presidential and 69,754 fourth class. The net increase in the number of postoffices for the fiscal year was 2.548. The largest number of presidential postoffices is in New York, with 330, followed by Pennsylvania, with 284; Illinois, with 257; Iowa, 212, and Ohio, 208. The greatest number of fourth class postoffices are in Pennsylvania, 4,871; New York, 3,394; Virginia, 3,297; Ohio, 3,175, and North Carolina, 2,899.

In compensation Massachusetts heads the list, showing an average compensation for her fourth class postmasters of \$336 per annum, followed by Rhode Island, \$319, and

Connecticut, \$283. In the amount expended per capita in the use of the mails by the people of the various states Massachusetts stands first, with \$2.30 \$2.27; District of Columbia third, \$2.16; Colorado fourth, \$1.93, and Connecticut fifth, \$1.80. Lowest in this table are South Carolina, 25 cents, and Mississippi, 34 cents. The total number of appointments made

during the fiscal year was 25,653. Among the recommendations are that a severe penalty be provided for employes embezzling or destroying newspaper mail, covslightly built man and lame in one leg. # SEALS ALLEN'S FATE

fuesday's Elections Mean that Nebraska's Senior Senator Must Go.

EGISLATURE SAFE AGAINST FUSIONISTS

Republic-n Majority on a Joint Ballot Will Be Fitteen.

THURSTON'S COLLEAGUE TO BE REPUBLICAN

Grand Old Party Has Good Working Majority in Each House.

POPOCRATS HELPLESS TO STEM TIDE

Corrected List of Membership of the Senate and House Which Will

Meet in Lincoln in January.

Both houses of the next legislature are republican. The United States senator elected to succeed William V. Allen will be a republican. This has been decided by the returns from the various senatorial and legislative districts which give the republicans an undisputed majority in each house of the legislature. One by one districts which were represented in the last legislature by fusionists have reported the election of republican members as the official

figures have been compiled. The republican majority on joint ballot, according to the best available returns, is fifteen. The republican majority in the senate is nine, there being twenty-one republican senators as against twelve fusionist senators. The republican majority in the house is six, there being fifty-three republican members as against forty-seven fusion members. The joint session will therefore consist of seventy-four republicans and fifty-nine fusionists.

The extent of the changes wrought by the election of a republican majority in each house of the legislature can be realized only when it is remembered that the fusionists had two-thirds majorities in both houses of the last legislature. The republicans have elected their men in some of the greatest popocratic strongholds in the state and defeated some of the most prominent popocratic leaders produced by the last legisla-

In the First senatorial district, for example, Ralph Clark, prominent in the last house, has been beaten for the senate by W. J. Halderman. In Otoe county Vincent Straub, who was also in the last house, was turned down. In Douglas county the same fate has overtaken Dudley Smith, who sought promotion from the house to the senate. Senator Miller of Burt had to succumb to Giffert of West Point. Dodge county, which was supposed to be irretrievably populist, has elected a republican scu-ator in W. D. Holbrok. Most significant is the retirement of Otto Mutz and C. W. Beat, two notable senatorial sham reformers of sniffling compile e frace. Dr. E. C. Watern committee in the last senate.

## Surprises in the House.

The surprises in the house are equally numerous. Old D. N. Jones of Nemaha and who was supposed to be one of the fixtures of the legislature has been left at home. Both Felker and Liddell, who represented Douglas county two years ago, failed to be elected. S. S. Van Horn of Dodge has also been left at home. In the Seventeenth district, comprising Stanton and Wayne, Louis Smithberger has been elected in a district generally conceded to be popocratic. One of the factors in Smithberger's election is said to have been his public pledge that he would never vote for John L. Webster for the United States senate. The defeat of Charles Wooster, the Merrick county statesman, has already been promulgated. Jefferson county sends Peter Jansen to the house, well known as one of the delegates to the last national republican convention, and the Dawes county district, usually he pelessly popocratic, sends Allen G. Fisher, one of the popular captains of the Seco. I Nebraska regiment. Among other popocratic members of the last legislature who have had defeat written on their records are Peter Uerling of the Webster-Adams float district, Mart Ferno of Adams and A. E. Shelden.

Mann of Saline, George N. Jones and W. E. Chittenden of Gage, G. L. Rouse of Hall, W. D. Haller of Washington and C. F. Steele of Jefferson. The following is the roll of the members of the next Nebraska legislature made up

On the other hand, quite a number of ex-

perienced republican legislators have been

re-elected or promoted. Among them are

Palmer Blake of Johnson, E. M. Pollard and

T. T. Young of Cass county, J. F. Nesbitt

of Burt, W. D. Holbrook of Dodge, Paul

Clark and A. R. Talbot of Lancaster, W. H.
