APROPOS OF ANNEXATION

E. J. Cornish Tells a Story that Fits the Subject Well.

In his discussion of the annexation question at the Castellor Presbyterian church E. J. Cornish made quite a hit with the following illustrative story...

"A wanderer on an unfrequented road heard cries of one in distress. Prompted by natural feelings of humanity he drew his sword and rushed to the rescue.

At his approach the robbers fled. The victim was profuse in his expressions of gratitude and rendered thanks to heaven, saying: 'I was alone with no one to assist me and no one likely to pass this road for days.

My friend, my coming is indeed providential. I feel that I have been led by an unseen, all-wise hand to this spot to drive off those miserable wretches and work good to the world upon me in this solemn hour.

Mission at Holy Family Church. Large crowds of all denominations attended the evening lectures at Holy Trinity church during the past week.

Some New Stock Subscriptions. Acting on this suggestion, a fifteen-minute recess was declared in order to give those who desired to subscribe an opportunity.

PLANS OF ILLINOIS CENTRAL

New Road Hops to Reach Omaha Before July 1, 1899.

LOCATING ENGINEER IS RUSHING WORK

Plans and Profiles of the Route Being Made and Contract for Grading One Section of the Road-bed is Let.

The Illinois Central railroad intends to have trains running into Omaha by July 1, 1899. The work of the civil engineer of the company, who has been working in eastern Iowa for some weeks, is progressing rapidly and the first contract for grading has been awarded to James H. McShane & Company of Omaha.

Under the direction of Locating Engineer Graffon of the Illinois Central four parties of surveyors are now at work on the proposed line between Fort Dodge, Ia., and Council Bluffs.

Mr. Graffon has opened offices in the McCague building, Fifteenth and Dodge streets in this city. There is considerable work in making the plot of the new railroad into Omaha being done.

The contract awarded calls for the completion of the work by May 1. With favorable weather the work will be completed within four months.

The contract for grading the first fifteen miles of the new road, from Council Bluffs in a northerly direction to Loveland, Ia., has been awarded by the Illinois Central at Chicago to James H. McShane & Company of this city.

The contract awarded calls for the completion of the work by May 1. With favorable weather the work will be completed within four months.

Work on the new road will not be stopped by the fact that the Illinois Central from Council Bluffs north will run between one mile and two miles west of the tracks of the Chicago and Northwestern.

A large amount of trestle work will be done between Council Bluffs and Loveland. Three or four long stretches of trestle will also be built to carry the road over low lands.

There will also be a number of bridges built in the first fifteen miles, as several creeks are to be crossed.
