

SUSPENDED WITHOUT PAY

Officers Accused of Cowardice and Incompetence Laid Off Pending Trial.

HEARINGS WILL COME ON NEXT WEEK

Board Hears the Formal Charges Filed by Chief White and Fixes the Date for Investigation—Routine Work of the Session.

Captain W. W. Cox and Detectives A. Keyser, J. H. Savage, M. P. Dempsey and M. J. Sullivan have been suspended from the police force without pay until the charges preferred against them by Chief White have been heard and acted upon.

There was a large turnout of spectators at the meeting of the board, as it was expected some action in this case would be taken.

The charges filed against the officers embraced two counts and specifications, one alleging cowardice and the other inefficiency and neglect of duty, and the specifications are a brief recital of the incidents connected with the assault upon and retreat from the desperadoes named.

All Plead Not Guilty. Each of the officers pleaded not guilty to the charges and with the exception of Cox expressed a readiness to proceed to trial at once.

William Kelly of hose company No. 5 was charged with refusing to obey orders in declining to clean windows at the home house on the order of the captain.

The petition of John S. Clark, who has sold his drug store, and William H. Moorehouse, who has sold his saloon, asking to be relieved from their bonds on the licenses issued, were denied until the purchasers of the property have filed satisfactory bonds.

The petition of Officer R. A. Wilbur was approved. Harry Woolridge was appointed to the police force and his bond was filed and approved.

The petition of S. L. Morris to be reinstated on the police force was referred. The application of H. M. Waring to be made the official stenographer of the board in protested liquor license cases was laid over for one week.

The complaint of Anna McGavock that Officer J. Shevick had refused to pay his house rent was referred for investigation. Charles H. Kuhn, who is chief of the board of police, will be notified that his services will be dispensed with after December 1.

GARLAND AND HIS HISTORY

Prospective Publisher of an Exposition Book Gives the Details of His Peculiar Plan.

J. Braxton Garland of 1919 St. Mary's avenue, a "professional solicitor of novel forms of advertising," is promoting an exposition history scheme that threatens to give the \$10,000 agitators the shivers.

Mr. J. Braxton Garland's plan is simplicity itself. He has sent broadcast to persons who were in some way connected with the exposition a deftly worded prospectus of his "history." He does not set forth in so many words that his work is authorized by the exposition company, but his circular leaves that impression.

It Hangs On

We are talking about your cough. One could not cough better before Ayer's Cherry Pectoral.

It hangs on because of the grip of your cough. The congestion of the throat and lungs is removed, the inflamed membrane is soothed, the parts are put perfectly at rest, and the cough drops away. It has no diseased tissues on which to take its toll.

he decided to modify the title of his book, but not to abandon the project. He is now canvassing for the work, using a "dummy" in which he shows five pages of introductory matter, being a sketch of the exposition, a page bearing a neat vignette of Major T. S. Clarkson and 200 blank sheets which are ultimately to be decorated with other vignettes, biographical matter and advertisements.

Another little drawback mentioned by the promoter of this stupendous enterprise was the disappearance of a former partner, Meyers by name, with \$100 said to belong to the firm.

WHAT DOUGLAS COUNTY WON

Diplomas from the Transmississippi and International Exposition Received at the Court House.

County Commissioners Ostrom, Harie, Hector and Hofstad and County Clerk Haverly yesterday afternoon were looking between the proudest of satisfaction as they sat around their offices in the court house. The reason for this was the receipt of the diplomas awarded to Douglas county for its exhibit at the exposition, accompanied by several bright medals.

The particular one over which the members of the board are proudest is that informing the world that to Douglas county was given the highest award for a general agricultural exhibit.
