Tecumseh Sherman, a son of the nists; the nation will have no use for many late General Sherman, is a member of the of its soldiers, and can return them to pro-New York Board of Aldermen, and the ductive employment, and the people, freed of Marshal Yamagata is noteworthy as in other day he addressed his fellow members from the constant drain of war taxes re-"I firmly believe that the less quired for the suppression of rebellions, will of things. frequently this lawless body meets the betbe better off than ever before. If Spain sible to the lower house of the diet, and in shall accept the issue of the war in the that sense is an imitation of the parliament-The Montpeller legislature has passed a right spirit the loss of its colonial possesary system of Great Britain. This is the tions may be the turning point of its career, outcome of a prolonged struggle between which has been steadily downward for 500 the liberal and conservative parties years. This country has taken up the burfapan. The new cabinet is committed to den Spain has reluctantly laid down and is to pay for the privilege of doing so, not of extensive defensive works. If popular merely in money, for \$20,000,000 is a mere opinion should fail to continue its present bagatelle, but in demoralization of its young nen, and in an enormous increase of its vides a way of escape from the difficulty civil and military expenses. This nation is without bloodshed. A change in the popu so rich and strong that it may be able to lar view will be followed by a change in the stand up under a drain that impoverished cabinet. Spain, but we have bought the privilege of suffering in place of Spain. Some people affected to doubt the disinterestedness of the United States when it undertook the "war for humanity," but there can be no greater exhibition of unselfish heroism than that an organized incident of the Egyptian which leads the conquerer to pay for the campaign. It is wholly untrue, he deprivilege of relieving the vanquished of the The Atlanta Constitution "views with clared, that companies were told off even to load under which he tottered and fell. We alarm" the tendency to crowd free silver to have bought a peace which may end in the to kill them. It is not denied that wounde the wall in favor of the expansion issue, and exaltation of Spain and our own great tribuobserves that the goldbug democratic press is opposed to expansion. Not so. Among Arabs "were left to die on the field in lation. thousands." but that could not be helped

Torpedo Boats Suffer Damage.

fully occupied in attending to their own BRISTOL, R. I., Dec. 2.—The torpedo boats Dupont and Morris came in here last night under their own steam, but considerwounded. The Sirdar said that on entering Omdurman he issued an order calling upon the people to go out and bring in their ably damaged.

"O! the snow, the beautiful snow!" and he rolled his eyes in a rapturous way.
As the billowy inspirative fires through his bounding bosom increased their play.
"OI emblem of purity, heaven-born, as pure as the thoughts of a babe art thou.
As pure as a the soul of a shriven saint, as pure as a vestal virgin's vow!
The kingly mountains are crowned by thee in diadems of ethereal white.
With frost-gems sparkling with dassling glint in a flashing frolic of glittering light.
And O!—" But the muse threw up the job when there came at the door a come maning knock.
And a big policeman ordered him out to clear the beautiful stuff from the walking its policeman ordered him out to clear the beautiful stuff from the walking its policeman ordered him out to clear the beautiful stuff from the walking its policeman ordered him out to clear the beautiful stuff from the walking its policeman ordered him out to clear the beautiful stuff from the walking its policeman ordered him out to police the police of police of police walking its policeman ordered him out to police the police of police of police of the walking its policeman ordered him out to police of the police of police of police of police of the police of the

How cheap? is the first question asked with half the buyers of clothing. There are prices that it's not safe to go belowin getting a suit or an overcoat in India seems to be impressed with the -Men's overcoats at \$1.50, men's ulsters at \$3.00, or \$10 suits at \$2.50 are wonders in their way. Do you want that sort? If you do we can't do business. But here is what we can do. We have had a big special sale for several weeks, and every thing was marked very low-there are several broken lines we want to close out, and we want to do it before we take inventory Jan. 1.

General Lord Kitchener, in the course of There are \$25 suits for \$20n orter, gave an explicit denial to the story \$20 suits for \$16.50; \$18 suits that the killing of wounded dervishes was for \$15; \$15 suits for \$12.50; search for the wounded enemy, much less \$12.50 suits for \$10; \$10 suits for \$7.50; and \$7.50 suits for since British and Egyptian surgeons were \$5. Overcoats and ulsters at the same rate of discount.

> These garments were marked way below what they were worth at the start, but at the reduced price now are true bargains.

lyn Eagle and New York Times support the hearty approval of the entire country in expansion policy. Democratic papers are every effort to redeem every pledge about equally divided on the subject. made by the republican party in the Senator Morrill says Vermont has the smallest foreign population of any state in platform upon which he was elected. the union, the total being only 9,800, all told, But neither the currency tinkers nor the most of them Irish, and nearly all vote the democratic ticket. The democratic state to read anything into the platform that candidate for governor at the last election
