Use a Safe, Reliable Medicine. 10 Few people realize, in treating themselves of Catarrh with the douche, snuffs, etc., the dangerous methods they employ. Catarrh cannot be cured by such treatment and is 3,600 more times made worse in point of the fact that the lotion or wash does not touch the affected parts and actually destroyed the adjacent healthy tissues. To reach Catarrh an 382 internal remedy should be used, acting upon the mucous mambranes through the system. There is no remedy which acts so promptly and gives such immediate relief as Gauss' Catarrh Tablets. They are taken internally and cure because they act directly upon the mucous membranes and surfaces through the system. At druggists or by mail, 50c, full sized box. Our little book on Catarrh mailed free. Address C. E. Gauss, Maraball, Mich.
