The document objecting to the appointment of Mr. Pusey as special administrator of the estate of Mrs. Ballard pending the a lengthy affair.

After referring to the fact that objections have been filed to the probating of the will, the reasons for the opposition to the appointment of Mr. Pusey as special administrator are set forth. It is recited that Mr. Pusey was the active executor of the estate of the late Samuel M. With regard to the bequests to the Woman's Christian association hospital, the allegation is made that thirty days prior to the execution by Mrs. Ballard of her will Mr. Pusey by undue influence induced her to give away about \$40,000 of her propto return last evening. SOCIETY STILL IN THE DUMPS. Lent Holds Its Grip Upon the Merry

Lent wrapped in its gloomy cloak, stalked in grim silence through the week and society watched its progress, doubting the while if there be any charm in sackcloth and ashes. Some say that this calm is due to good works and meditation appropriate to the season, while others whisper in confidential tones that the large num-

THE BEE WHEEL CONTESTS

The More that Enter the Contests, the Easier the Wheels Will Be Won.

ANNOUNCEMENT OF THE BEE'S GREAT PLAN

It's So Simple and Easy that Every Council Bluffs Boy or Girl and Older People, Too. Will Hustle in the Contests.

Every boy and girl will want to ride a wheel this spring and The Bee is going to give you a chance to get one in a very simple way, What is more, it is going to let you pick out any make wheel you want, for it knows you all want a certain make, which is the only make on earth."

Now let us tell you how The Bee is going to give the wheels away. We want a lot of new subscribers to The Bee in Council Bluffs. As soon as the first 300 orders have been handed into our office, the first contest closes and we will award the wheel to t St. Francis academy, preparatory to en- the one bringing the most orders out of this 300. Then Contest No. I closes and Contest No. 2 opens on the next 300 orders. Just see how easy this is. Say only thirty girls and boys start out on March 1 to get subscribers. They only have to average ten apiece to make the total, so the winner will not have to get very many orders, you see. You want to start in early and hand in your orders as soon as possibre.

Now about the orders. Each order must be for an actual new Council Bluffs subscriber. Each subscriber must take The Bee for at least three weeks and pay for it in order to be counted. It is better, but not necessary, to pay in advance, only no order will be counted until the subscription is paid for. If the subscription is paid for in advance it will count one on your score for each three weeks for which it is prepaid For example: If a subscriber pays in advance for slx weeks, it counts two: If he pays for twelve weeks, it will count four; if he pays for one year, it will count seven teen. On orders which are not paid in advance it will count only one on your score to matter how long he centinues to take it. There, that is plain, isn't it? Now see what you can do. The first contest begins March 1. Sincerely yours,
