While awaiting the arrival of Colonel Charles Denby, former United States minister to China the other civil members of the commission will devote their time to sightseeing and getting familiar with local conditions. Until Colonel Denby arrives the commission will be incomplete and can do nothing officially

General Onslaught Expected.

There is some reason to expect important news from Manila within the next fortnight. It has developed that General Otis has practically completed his plans for a grand enslaught on the insurgents, which is expected to deprive them of offensive power at least. It is probable that he will form a large part of his force into columns, as soon as his reinforcements are all at hand and will push these in parallel lines straight through the jungles, clearing out the insurgents in every made today by the American Sugar Refin-
