ANOTHER COLD WAVE COMING Blizzard Flag Boisted and a Promise

of a Decidedly Nasty Sunday. It is another case of heavy overcome and subbers, for the brief interval of pleasant weather that Omaha people have emoved during the last day or two is altogether too pretty to last. About the time things get to coming the right way the weather oureau goes out on a still bunt and rustles up something a little more disagreeable than the last. So the norther flag has gone up again and it is promised that the wind will come sweeping down from the north laden with snow and a sufficient de-

olumns of the disgusted inhabituate. D. B. Chandler, representing Columbs & Yesterday's weather map looked as though New York, was among the Millard's a January number had been promul gated by mistake. It showed a temperature Phil Hitchoock of Buffalo, N. Y. traveling of 10 degrees below zero at Calgary, a fall assenger agent of the Lake Shore rallroad. of 24 degrees at Salt Lake and decided drops all over the mountain region. There was Har condition was general over the west and northwest. Down in the southwest a low fantry was in from Fort Crook yesterday barometer hung ominously and prepared to drive the storm across the prairies toward Rev John McQueid of the First Methodist | the river Seldom have the general condi-church has so far recovered from his recent | tions seemed more threatening than when liness as to be able to occupy his pulpit the morning reports were received and there is no apparent hope of anything but the most disagreeable brand of weather for Sunday consumption.
