The opinion of Judge Towner in the suit There will be a special meeting of Excelsior lodge, No. 259, Ancient, Free and Accepted Masons, this evening.

The opinion of Judge Towner in the suit brought by Attorney J. J. Shea against the city of Council Bluffs, attacking the validity of the outstanding indebtedness, has been order's office yesterday a plat of Carter's handed down. Although the opinion has not reached here yet, it is known that it is favorable to the city and against Shea. This much information was contained in a letter from Judge Towner received here yesterday by Harl & McCabe, the attorneys who represented the city at the hearing before fudge Towner in June of last year. In his letter to Harl & McCabe Judge Towner says the finding is for the city generally, which is construed to mean on every point involved in the suit. He also instructs the attorneys to prepare the decree in conformity with the opinion.

Considerable complaint has been made from time to time at the long delay in handing down the decision, and referring to this in his letter, Judge Towner explains that the delay was unavoidable for several reasons. In the first place, the case was one of vast importance and involved so many questions and authorities that an earlier ruling was almost impossible, considering he had at the same time a number of cases in his own district to dispose of Metropolitan hotel, while working around The case involved, he said, almost every question relating to municipal authority or issuance of bonds, as each set of bonds, the validity of which was attacked by Shea, was issued under a different law.

The ruling of Judge Towner in this case s expected to be a most elaborate and exhaustive one. The result of the suit is being

THE BEE WHEEL CONTESTS The More that Enter the Contests. the Easter the Wheels Will He Won.

Every boy and girl will want to ride a wheel this spring and The Bee is going to for the March term of district court, give you a chance to get one in a very simple way. What is more, it is going to let you pick out any make wheel you want, or it knows you all want a certain make, which is the only make on earth."

Now let us tell you how The Bee is going

to give the wheels away. We want a lot of new subscribers to The Hee in Council Bluffs. As soon as the first 300 orders have been handed into our office, the first contest closes and we will award the wheel to the one bringing the most orders out of this 300, Then Contest No. 1 closes and Contest No. 2 opens on the next 360 orders. Just see how easy this is. Say only thirty girls and boys start out on March 1 to get Wheeler and thence across the river and on following substituted: subscribers. They only have to average ten up the Black Hills country. Illinois Central spiece to make the total, so the winner will agents have been purchasing rights of way

orders as soon as possible. Now about the orders. Each order must be for an actual new Council Bluffs subscriber. Each subscriber must take The Bee for at least three weeks and pay for it in order to be counted. It is better, but not necessary, to pay in advance, only no order will be counted until the subscription is paid for. If the subscription is paid for in advance it will count one on your score for each three weeks for wnich it is prepaid. For example: If a subscriber pays in advance for six weeks, it counts two; if he pays for twelve weeks, it will count four; if he pays for one year, it will count seventeen. On orders which are not paid in advance it will count only one on your score no matter how long he continues to take it. There, that is plain, isn't it? Now see what you can do. The first contest begins March 1. Sincerely yours.

ESTIMATES FOR CITY EXPENSES.

Special Committee of the Council Suggests a Lot of Figures. The special committee consisting Aldermen Sayles, Atkins and Brough met last night and drew up an appropriation ordinance which will be submitted at the meeting of the city council next Monday night. The estimates made for the expenses of the various city departments for the next fiscal year commencing April 1 vary but slightly from those of last year. Last year the appropriations were based upon an anticipated receipt of \$45,000 from

taxes and \$33,000 from saloon licenses and other miscellaneous receipts. receipts were, from taxes, \$43,178, and from licenses and "so forth." \$34,685. For the next year, owing to a probable decrease in the receipts, the estimates were based on a total of \$70,000 income, being \$40,000 from taxes and \$30,000 from licenses and other receipts. Last year an appropriation of of lighting the city. This year that will be provided for under the new law by a specia levy of 3 mills so that the amount will not have to be paid out of the general fund as heretofore. The committee decided on suggesting the following appropriations: Salaries, \$11.250; police department, \$17,000; fire department, \$17,300; fire and police telegraph, \$1,580; engineer's department, \$2,300; streets and alleys, \$8,000; printing and supplies, \$2,000; city pound, \$800; election expenses, \$1,100; to meet deficit in water fund, \$5,000; city building fund to provide for necessary repairs, \$500. This will leave \$3,170 under a \$70,000 basis for the contin gent fund.

There is \$1,822 left over the amount appropriated for the contingent fund last year. The appropriation for the fire department is increased \$300 to allow for the purchase of new horses. In the fire and police telegraph estimate \$280 is added this year to permit of the purchase of new apparatus The appropriation for the engineer's departsent is increased \$300, as if much paying is done this year there will be need of another assistant. Last year there was no propriation for election expenses nor for repairs to city buildings. We are proud of the record of the League Bicycle for last senson, We sold over 100 of these wheels and they gave splendid satisfaction. We have over fifty rousing testimonials on file at this date, telling how these wheels stood up last season and no matter what any unscrupulous dealer may say, we are ready to substantiate any and every claim we have made on this wheel. Would you take some dealer's word, who knows nothing whatever of the League Bicycle, in preference to the expressions of fifty or one hundred of the satisfied League riders? We leave you to decide. Read the following testimonial:

COLE & COLE,

Gentlemen:

Gentlemen I take pleasure in stating that the League Bicycle which I purchased from you last season has given me excellent satisfaction. It has carried my weight of 205 pounds during the entire season and has been put to some very rough usage and hard knocks. I think it is all O, K, in every respect and . Bicycle during the season of 1899. Yours truly, F. H. SEARLE, all O, K, in every respect and I intend to ride this same League
