#### THROW BOTH TWICE IN NINETY MINUTES

Dan Baldwin and Jacob Hildebrand the Lusty Giants Who Will Try to Stand Against the "Sultan's Lion."

The sporting event of the season in Omaha will take place tonight at Creighton hall when Hall Adali, the "Sultan's Lion," will undertake to throw Dan Baldwin and Jacob Hildebrand, two of Omaha's strongest men and best wrestlers, twice each within ninety minutes. Unless the Turk is actually a phenomenon he will have a whole lot of hard work on his hands, because Baldwin and Hildebrand form a hard combination for | anybody. However, the foreigner and his managers are confident that he is equal to the task, while the Omaha wrestlers are determined to give him the hardest kind of a rub.

The fashion in which the two parties tonight's entertainment are preparing for the event is as startling as the bout promises to be. Hildebrand and Baldwin are and have been in training for the bout and have been spending their time in dallying with heavy weights. The Turk, on the other hand, has bitlons of trick riding. been spending his time in promenading the

streets of this city, South Omaha and Council Bluffs under the sheltering wing of Spud Farrish, and in consuming several ordinary meals at a sitting. He does not pretend to indulge in any training outside of his frequent engagements.

Adali made the official rounds of the city yesterday with Farrish. He called upon Mayor Moores and others of the city of ficials, besides being introduced to the creme-de-la-creme in the business and professional circles of the city. In the afternoon he took a saunter through Council into the yard below. When picked up he Bluffs. All druggists. 15 cents goes between well-known local pugilists will take place. At the conclusion of the wrest ling match a bout will be pulled off between Paul Murray, the local colored boxer, and an unknown. The whole affair is creat ing considerable interest in local sporting circles, and there is every indication that a good house will be on hand to witness it. The master of ceremonies and the referes of the wrestling match will be Lew Houseman, the well-known Chicago newspaper

man and pugilistic promoter. During his Hubert C. Herring will have the affirmative stay in the city, which will extend over and Rev. John Williams the negative.

to See the Wheels, SAN FRANCISCO, March 24,-With Over 1,000 people turned imaginary turnstiles at the Young Men's Christian assodation bleycle show Friday night and looked upon the marvels in the wheeling line that are on display there.
