"I have gone 14 days at a time without a movement of the bowels, not being able to move them except by using hot water injections. Chronic constipution for seven years placed me in this terrible condition; during that time I did ev crything I heard of but never found any re was my case until I began using CASCARETS. I now have from one to three passages a day, and if I was rich I would give flow.00 for each movement; it is such a relief.
