BELLES AND BEAUX FORSAKE SECLUSION

On account of a verdict against her which she alleges was obtained by perjured testimony. The original suit was brought to collect a bill of \$5,000 for clothing alleged to have been sold by Helman before his death on certain representations alleged to have been made by Mr. Helman to the traveling representative of the wholesale house. A verdict was obtained, but subsequently the traveling man made an affidavit that he had testified falsely at the Helman trial, and this was barred by the statute of limitations. She then filed a motion for a new trial of the suit, but she also failed to effect her purpose.

Evva Gantz Sues South Omaha. That it is worth just \$2,000 a day to be an inmate of the South Omaha jail is the burden of a petition that has been filed by Evva Gantz in the district court. Miss Gantz avers that on a recent occasion she was standing on a street corner in the Magic City when Fred Thomas pointed her out to Mrs. Elmer Gay and declared that she had been using profane language in the street. She indignantly denied the accusation, but the officer was insistent and took her to jail, where she remained for forty-eight hours before she was able to effect her release. Now she has sued Thomas for \$5,000 damages on account of her enforced confinement, which she declares was altogether unjustifiable and maliciously induced.

CANINES MUST BE LICENSED

Time Has Expired and Dog Tax Must Now Be Paid to City Clerk.

Dog taxes are now due and owners of canines must drop into the city clerk's office and deposit the amount due for the license to live or submit to the extermination of their pets. Poundmaster Ricketts will not declare war for a few days, however, in order that all may have an opportunity to prepare for his appearance by securing a tag in advance.

Up to the close of March 529 licenses had been paid. This is a very small percentage of the entire number, as the records show that 2,901 licenses were paid in 1898. Some doubt has been expressed concerning the right to collect a license now since dogs have been made property, but inasmuch as the bill does not become a law until July 1 no doubt exists in the mind of the city clerk. After the bill takes effect and dogs are taxed the same as any other personal property it is thought that some other course may have to be pursued in disposing of surplus canines. It will at least not affect the collection of taxes for 1899, as the report of assessors will not be in until next fall. Meantime the city's representatives are gathering in the shelds as rapidly as possible.

Beauty Doctors

Are quite as essential as good living and help to make the world more attractive. A mortgage on a beautiful home, for instance, takes away a great deal of its attractiveness. So, also, wrinkles, moles, patches, freckles or superfluous hair on a lady's face are very unattractive. These can be removed without pain or discomfort, and now a rare opportunity is offered the ladies of Omaha to consult, free of charge, the greatest specialist on scalp and facial imperfections.
