the Government. CHARLESTON, S. C. April L.-Fifteen prominent citizens of Lake City. S. C., will be put on trial here in the United States routt court dext week to answer charge of having lynched Postmaster Fraser B. Baker more than a year ago. Besides Stilling the postmaster, who was a negro, the alleged lynchers will have to answer for killing Baker's infant child and for burning the Lake City postoffice, with all its effects It is said here that other arrests will be made before the case is taken up. The indictment will go to the grand jury and the hearing will begin at once. Eighty witnesses for the government have been summoned and there is a great array of wil-

desses for the defense. This is the first time on record that the federal government has come into the south o take up a lymbing trial. The murder of Baker was propably the most brutal frime known in the history of the state. Baker was appointed postmaster at Lake City and before he took marge he was warned to keep away. He refused and an attempt was made to kill him soon after his commission was received. This failed and then a regul lar bend was organized to put him out o
