by these two roads, any determination on their part would cut little figure. It is said these two roads have a little business in moving grazing cattle from one point to another, but as to the feeding-in-transit rates, their interest was too small to in any way affect the determination of the other roads to withdraw the privilege.

Cut in Sleeping Car Bates.

appreciated by a considerable number of Effective next Saturday, the Pullman company announces a reduction of rates on clitzens who have been stumbling over bad standard sleeping cars to Pacific coast points walks in the outer parts of the city during and to Ogden. The rate to the Pacific the last six months and more,

const. including Portland, San Francisco and Los Angeles, has been \$13, and the new the severe winter just past is responsible rate will be \$11.50. The rate to Ogden has in great measure for the condition of the been \$8, which will be reduced to \$7. The walks. A considerable number of repairs reduction has been made to meet the rates put in by the Great Northern road a few weeks ago. That road owns its own sleep-ers and makes its own rates, while the Pullman contracts with other lines require that it shall make as low a rate as is made by any competitor. In fulfilling this contract the new rates here quoted have been number have also become defective in the course of the winter. There is therefore a announced.
