NEW FLYING COLUMN FORMED

### Official Information Received of Lawton's Expedition to Clear Country of Rebels.

WASHINGTON, April 22 .- The War department today received a cablegram from General Otis announcing the formation of a

new flying column under command of General Lawton and the initiation of a new campaign which is expected to result in clearing out the jungle in the country north of Manila up to the foothills of the mountains on the northeast and up to the termination of the railroad at Bulacan. The text of the dispatch was not male public, but it is understood to agree closely with the account of the movements contained in the agent for the eigars in this section. Associated Press dispatches from Manila.

fied with the trust's methods of doing busidealers forming a combination of their own and erecting a print paper mill at a central required by their newspaper customers.

FRAUDULENT STAMPS SEIZED Revenue Officers Succeed in Laying Hands on Many Thousands of Contraband Cigars.

KNOXVILLE, Tenn., April 22 --- Deputy Revenue Collector Henry Hart today seized from wholesale dealers 32,000 cigars manufactured by factory No. 314 of Lancaster. The cigars are of the Fernaudo, Martella, La Rosa and Harmony Club brands. The counterfeit stamps on the cigars are easily discovered, when compared with the

genuine, the difference being in color of paper and in the execution of the word 'cigars.' Mr. Hart will go to Chattaneoga Monday, where he expects to seize 200,000, which he says are in the possession of the Carter Cigar company, which he claims is the

### Driven from Home.

the obligation of military service in the and thence into Cut Off lake about 200 By the water pouring into Florence lake persons have been driven from their homes, the majority of them leaving their household goods behind in the hope that the water will recede, before a removal is necessitated. The water has spread over the LONDON, April 22-(New York World bottom from Courtland Beach to Sherman avenue. It rose about two feet Friday night in Cut Off lake and five inches in Florence As the latter is much higher than Inke. Cut Off lake, the squatters in the vicinity London is guite true," said Mr. Stratof the latter anticipate a still greater rise and are preparing for it.

The water in Florence lake is considerably higher than it was two years ago, while In Cut Off lake it is estimated to be at least a foot higher. Squatters who were not troubled by the rise at that time are threatened with an overflow now, the water having filled their cellars and surrounded their houses. The Union Pacific sidetrack leading to Swift and Company's ice houses has been submerged and men are engaged n trying to save it. The current has swept around to the southwest side of the lake and threatens the destruction of the houses MANAGUA, Nicaragua April 21 .- (Vin hear the west end of the old wagon bridge Courtland beach
