# OLD GOVERNMENT BUILDING

Work of Reconstruction is Now in Progress - Souvenirs for Curio Hanters.

The work of taking out the interior of the ld government building in order to make the changes necessary to convert the struc ure into headquarters for the Department f the Missouri has commenced. The partiions and floors of the lower floor are being emoved and all of the old rubbish that has been stored in closets and vaults during the last twenty years is being removed or burned.

As the property stored in the rooms is thrown into the alley to be sorted out, it is pounced upon by an army of relic hunters who seem anxious to secure any and everything that appears to be aged. The most of he stuff so far consists of old records of the postoffice, dating back ten to twenty years. A lot of decorative material, such as unting and shields, is eagerly sought after. tue to the fact that it was used on the building at the time ex-President Grant was here in 1879 on his return trip from a tour

around the world. A number of old flags are also proving of onsiderable interest to people who are hunting curios. These flags are those that have been used on the building in times past and then stored away after having outlived their usefulness. That these flags are aged one goes without saying, as there is one that carries but thirty-six stars. There is on with thirty-nine stars and another with

It may be said that the expressions were rather in the nature of regrets than of complaints, but as summed up by a cabinet officer, there has been no disposition to attach personal blame to individuals, but rather to note radical differences of opinion.

#### High School Cadets.

The feature of Arbor day in Omaha yes terday was the parade of the High school adets, who trod through the principa downtown streets of the city with soldier! bearing during the afternoon. The 300 o more youthful soldiers created a good im-pression along the route of march and or Douglas street, between Fifteenth and Six teenth streets, the cadets went drill of the manual of arms in the presen of a big crowd of spectators, including som of the members of the Board of Education The cadets marched to the music of the pearance on this occasion and did remarks

New designs daily and new sailors and street hats. Ask to see "The New Uptown." F. M. SCHADELL & CO.
