RULING ON THE MATTER BY GEN, CORBIN

The governor is in receipt of a letter from father of the late Colonel Stotsenberg, which is full of pathos and patriotism that is in direct contrast, not only to the resolutions of censure recently adopted by the legislature, but also to the wording of the veto message issued by the governor. The letter reads:

NEW ALBANY, Ind., April 25, 1899.—Hon. W. A. Poynter, Governor of Nebraska.—Dear Sir: I thank you personally, and as the representative of the people of Nebraska, for your tender and touching letter and tender expressions of sympathy. It is true that we have lost our first born, but is consolutory to know that he died for Nebranks and for the nation on the field of battle and as the leader of as brave and well disciplined an American regiment as ever marched against an enemy. That he worked and toiled for the comfort and wel-fare of the fighting First Nebraska; that he was as proud of it as a fond mother is of a beloved child; that he aided in makin Obronch its beroism and gallantry on the JOHN M. NO WOMAN IS EXEMPT.

Regularity is a matter of importance | DR. SEARLES & SEARLES 119 S. 14th St. in every woman's life. Much pain is, however, endured in the belief that it is necessary and not alarming, when in truth it is all wrong and indicates derangement that may cause serious

trouble. Excessive monthly pain itself will unsettle the nerves and make women old before their time.

The foundation of woman's health is a perfectly normal and regular performance of nature's function. The statement we print from Miss GER-TRUDE SIKES, of Eldred, Pa., is echoed in every city, town and hamlet in this country. Read what she says: "DEAR MRS. PINKHAM:-I feel like a

new person since following your advice, and think it is my duty to let the public know the good your remedies have done me. My troubles were painful menstruation and leucorrhoea. I was nervous and had spells of being confused. Before using your remedies I never had any faith in patent medicines. I now wish to say that I never had anything do me so much good for painful menstruction as Lydia E. Pinkham's Vegetable Compound; also would say that your Sanative Wash has cured me of leucorrhoea. I hope these few words may help suffering women."

The present Mrs. Pinkham's experience in treating female ills is unparalleled, for years she worked side by side with Mrs. Lydia E. Pinkham, and for sometime past has had sole charge of the correspondence department of her great business, treating by letter as many as a hundred thousand ailing

women during a single year. (All suffering women are invited to write freely to Mrs. Pinkham, at Lynn, Mass., for advice about their health.
