NEW YORK, May 17 .- Twenty-four players were actively engaged in today's game, which was a combination of slugging, poor fleiding and worse pitching. Brooklyn made it three straight from the Phillies, however, and slid into second place. The Brooklyns started off with a lead of 6 to 0 and the fifth inning closed with the score 9 to 3 in their favor. Then Hughes went into the air and the visitors secured seven runs. But the home team won out in the end. Attend-

Nebraskans Drop a Game.

BLOOMINGTON, Ind., May 17.—(Special Telegram.)—Nebraska was defeated by the University of Indiana today by a score of to 4. Nebraska had the game well in hand until the sixth inning, the score standing 4 to 1. Then a rank decision by haumpire, calling a clearly foul ball a fair ball, scored two runs for Indiana, A similar decision in the sighth inning allowed the Hoosiers to score two more runs. The Nebraskans clearly outplayed the Hoosiers and would have won had it not been for the rank decisions of the umpire. Students and citizens are eager to have a game between the two universities tomorrow, as it is reported that the Wabash team has disbanded, thus canceling the game scheduled there for tomorrow. HOW TO GURE WHITES.

Sr. Louis, Mo., Nov. 15. My wife has been a sufferer from Whites for many months. When a woman grows pale, languid, dizzy and hysterical— when suffering is written plainly on her face—it is not difficult to trace the cause. Usually it is that offensive and debilitating disease known as Leucorrhoea or whites. There are so many things which cause this "female trouble" that very few women escape it at some period of their lives. Doctors treat it locally. Sometimes they help a little. Often their treatment does no good whatever. There is really but one cure-but one single medicine which never fails to relieve. It is Wine of Cardul. In ordinary cases, complete restoration of the womanly organs to perfect health follows its use. In severe and complicated cases,
