THE COURT BECAME SO CROWDED THAT THE POLICE WERE OBLIGED TO CLOSE THE DOORS, WHEREUPON THOSE WHO WERE SHUT OUT BEGAN BANGING AT THE DOORS.

DURING THE COURSE OF M. DEROULEDE'S DEFENSE GENERAL HERVE READ A NEWS-PAPER CRITICISM OF THE GENERAL, AND M. DEROULEDE, RISING, SAID: "THIS IS TREASON."

THE PRESIDENT OF THE COURT INTERRUPTED M. DEROULEDE, SAYING: "I HAVE BEEN LENIENT WITH YOU, YOU MUST BE SILENT."

PRISONERS ARE RUSHED INTO INTERIOR

Refugees Say that Natives Who Were Friendly to the Americans Are Being Punished When Troops Are Withdrawn.

MANILA, May 31.—6:20 p. m.—Details regarding the capture by Filipino of two officers of the United States hospital ship Relief yesterday have just been obtained.

THE RELIEF LIES IN THE HARBOR IN FRONT OF THIS CITY. THIRD OFFICER FRED HEPPY AND ASSISTANT ENGINEER CHARLES BLANFORD RIGGED A SAIL ON ONE OF THE SHIP'S BATS AND WENT SAILING ALONG THE SHORE ON THE SOUTH, OPPOSITE THE INSURGENT LINES. THE BOAT BECAME BECALMED NEAR THE SHORE AND SOME NATIVE CANOES WITH FILIPINOS ON BOARD PUT OUT AND CAPTURED THE TWO MEN WHO WERE UNARMED, AND ALSO TOOK POSSESSION OF THE BOAT.

THE UNITED STATES TUGGER SHIP MONADNOCK QUICKLY SENT A BOAT WITH A LANDING PARTY ASHORE, UNDER COVER OF THE GUNS AND SHELLED THE SHORE BRISKLY. THE NATIVES HOWEVER, RUSHED THE PRISONERS INTO THE WOODS BEFORE THE MONADNOCK'S BOAT REACHED LAND.

PERSONS ON BOARD SEVERAL OTHER SHIPS SAID THE AFFAIR THROUGH GLASSES, BUT WERE UNABLE TO PREVENT THE CAPTURE OF MESSRS. HEPPY AND BLANFORD.

FRIENDLY NATIVES ARRIVING HERE FROM THE COUNTRY AROUND SAN MARCELINO REPORT THAT A REIGN OF TERROR HAS PREVAILLED SINCE THE AMERICAN TROOPS WERE WITHDRAWN FROM THOSE PARTS OF THE ISLANDS. THE INSURGENTS WHO ARE RETURNING THERE DEAL VENGANCE UPON THOSE OF THEIR COUNTRYMEN WHO HAVE SHOWN ANY SYMPATHY TOWARDS THE AMERICANS UNDER THE LATTER'S OCCUPATION OF THE TERRITORY.

THE FRIENDLIES DECLARE THAT UNOFFENDING PEOPLE ARE BEING MURDERED DAILY AND THAT THEIR HOUSES ARE BEING BURNED AND THEIR PROPERTY CONFISCATED. PLINY OF SYMPATHIZERS WITH THE AMERICANS REMAINED DURING THE AMERICANS' STAY HERE. THEY HAVE BEEN REPORTING THESE INSTANCES OF FRIENDLINESS TOWARDS OUR TROOPS. THE REFUGEES SAID THAT THE INHABITANTS WERE BADLY OPPRESSED BY NATIVE SOLDIERS BEFORE THE AMERICAN OCCUPATION, BUT THAT THEIR CONDITION IS WORSE NOW. DOUBTLESS THERE IS MUCH TRUTH IN THE REPORTS, THOUGH SUCH STORIES FROM FILIPINO SOURCES ARE ALWAYS GRATED.

GOLD FOR POLICEMAN'S STAR

Applicants Describe Difficulties of Getting on the Force—\$200 for "Influence."

NEW YORK, May 31.—The sensation in the testimony heard by the Mazet committee today came just before the adjournment of the investigating body until tomorrow morning. It was a controversy between Police Captain Price and Councilman Moss, the former having gone on the stand with a story of his treatment by Mr. Moss at previous sessions.

The remainder of the day was taken up with an investigation of statements concerning alleged abuses at the Tombs prison, concerning hall licenses, and their method of issuing, the question of whether Timothy D. Sullivan's Dewey theater had complied with the requirements of the police and building departments, whether other places in the tenderloin district were being conducted according to the form of law, and whether certain individuals had attempted to buy their way into and secure positions on the police force.

Roger Sheely, receiving clerk of the Old Dominion Steamship company, testified that, wishing to become a policeman, he had been taken on May 18, 1888, by Policeman Dugan to a man named Hart, in the liquor business, and at Dugan's suggestion had given Hart \$200 to get on the force.

Hart told him he would have him appointed in about two months, at least, and he would get a special examination. He was never cited for examination.

Regina O'Brien, the wife of Detective Sergeant O'Brien, testified that she had introduced a young man named Cunningham to James J. Hassett, a collector of insurance, because Cunningham wished to get on the police force and Hassett said he might be able to help him.

Cunningham swore Hassett said he could put him on the police force for \$400 and that he would not be asked to pay anything more.

Cunningham said Hassett told him he had his "influence" as a lawyer "who had a great pull with President Van Buren."

He gave Hassett the \$200 and Hassett gave him a receipt. That was in April, 1888, and his appointment was fixed to be met on July 1, 1888.

Hassett told him he had turned over the money. Hart asked him for \$50 more "to push the thing along."

He got his examination paper, which Hassett told him to bring to him, so that he could "fix it with the examiners."

Later Hassett told him that Hart had gotten into trouble. Then he had Hassett arrested and he was held in police court for trial.

The receipt from Hassett for the \$200 was put in evidence by Mr. Moss. The witness testified that Hart had told him that the \$200 had been given to Captain Phillips, secretary of the Civil Service Board.

Captain Price was called. He did not know how many times William R. Nelson had gone back for prostitutes in the last six months. He knew that Nelson went back very often. Mr. Moss said that the total number of calls at Police station from July, 1888, to April, 1889, was 734, and that Sam Nelson and his brother had called out 558.

When Frank Farrell had called out forty-five. Captain Price was allowed the opportunity to deny in toto the testimony given against him in a previous session by Simon Buttner, proprietor of the Broadway Garage. He described Buttner's evidence as false in every particular.

Price said that Mr. Moss had led a man to testify falsely against him. Then Captain Price and Mr. Moss engaged in a bitter personal quarrel, each attacking the other's private character.

Captain Price denied that he knew of the existence of protection over disorderly resorts.

Mr. Moss questioned him closely about alleged protection in his precinct. He had arrested about 700 women in his precinct in the last seven years; only 300 of those were discharged. Mr. Moss said that this number was only a fraction of the total that were doing business in Captain Price's precinct. Mr. Moss said he did not know anything about this.

He maintained that there had been no pool room running in his precinct since last August. Mr. Moss told the witness that he would require him to give further testimony and the committee then adjourned until 10:30 o'clock tomorrow morning.

FINN OF THE DIAMOND MATCH.

CHICAGO, May 31.—The Journal says that Edwin Gould has been paid \$1,000,000 by the Diamond Match company for a controlling interest in that company. The share of Gould is said to be elected a director of the Diamond Match company. It is stated also that negotiations will shortly be adopted with respect to the Diamond Match company, recommending the issuance of \$3,000,000 more capital, one third to go to Gould; an equal amount to be used in acquiring the stock of another company, and the other \$1,000,000 to be offered to present shareholders at par.

The Continental Match company owns factories at Passaic, N. J.; Ogdenburg, N. Y.; and Kankakee, Ill.

WAR BETWEEN RAILROADS

Union Pacific Tears Up Track of Omaha Bridge and Terminal Company.

CARTS OFF MATERIAL ON ITS OWN CARS

Lays New Track on Place Occupied by Terminal Company and Puts Heavy Engines on to Hold It Down.

THE UNION PACIFIC RAILROAD COMPANY HAS DECLARED WAR ON THE OMAHA BRIDGE AND TERMINAL COMPANY.

At 8 o'clock last night the Union Pacific sent a force of 100 men at work tearing up the single track of the Terminal company extending two blocks in a diagonal direction from Cumings and Fourteenth streets to Webster and Thirteenth streets.

As fast as the material is taken up it is loaded onto flatcars and hauled onto Union Pacific property. A new track is then laid on the same place that was occupied by the Terminal company's tracks and heavy Union Pacific engines run on to hold it down.

This action, it is said, is being taken by the Union Pacific company because, it claims, the Terminal company has not paid the Union Pacific the sum of \$23,000 which the latter asserts was promised either as a purchase price for the property or as a rental.

The work of tearing up and replacing the track was all completed at 2:30 this morning except making connection with the Union Pacific main track.

The officers and counsel of the Terminal company are all out of the city.

This action of the Union Pacific means the shutting out of the Illinois Central from Omaha, as that road, it was understood, was to enter over the tracks of the Terminal company. Why It Was Done.

The tracks were laid by the Terminal company in March. The order from the Union Pacific headquarters to the foreman in charge of the work of tearing up the tracks was to load the rails and ties upon cars and to retain the property on Union Pacific ground.

It was said by the foreman in charge that the Union Pacific company intended to hold the rails and ties for damage because of the forfeited contract.

Of course if the Union Pacific succeeds in blocking the Terminal permanently the Illinois Central will be compelled to enter Omaha over the Union Pacific bridge.

HEADING OFF AN INVESTIGATION.

Chicago Railroad Men Plan to Equalize Grain Rates.

CHICAGO, May 31.—The record tomorrow will say: Chicago railroad men are preparing to head off the interstate commerce commission's investigation of export and domestic freight rates set down for June 12.

As a preliminary the eastern, western and gulf lines have reached an agreement upon the eastern roads to New York, New and Baltimore. With a 16-cent rate on corn from the Missouri river to Baltimore the rate to the gulf ports would be 11½ cents.

If this settlement of the question is found to be acceptable to all the interested lines the difference between domestic and export rates, which have latterly been the subject of complaint before the interstate commerce commission, can easily be adjusted.

The chief reason given by the eastern lines for making such a discrimination was the competition of the southern lines. Half a dozen meetings have been held for the purpose of determining just what differential the gulf lines were entitled to, but no agreement was reached before. Now that this has been done the chief obstacle in the way of harmonizing domestic and export freight rates would seem to be disposed of.
