Sales to Date Show Big Increase Over Year Ago. BOSTON, June 2.-The Commercial Bulle tin will say tomorrow of the wood market: The sales of wood have dropped off to a very marked degree. Speculation has stopped and there has been no further ad-

vance in the price. The trust has not been vance in the price. The trust has not been buying to any extent and individual manu-facturers are waiting for the opening of light weight goods. There is less activity in medium unwashed bright wools than in wools of strictly merino blood. Prices are very firm throughout the list. The sales of the week are 2.882,000 lbs. domestic and 1,134,000 foreign, a total of 4.016,000 lbs. against 5,252,000 lbs. hast week and 2,192,000 lbs. for the same week last year. The sales to date show an increase of 35,313,000 lbs. domestic and 1,872,400 lbs. Receipts to date show an increase of 71,487 bales do-mestic and a decrease of 35,561 bales foreign. ST.
