enlisted a team last spring that made several excursions, and was fairly successful. "The Originals" as they were called, consisted of Peck, Bask, McFarland, Bervheim, Crabell, and Johannis.

Williams of the Pittsburg team seems to be the coming third baseman of the season as he takes more chances without errors and hits with the best of them. He was with Jimmy Manning's Kansas City team last season and the local fans remember his brilliant work while here.

The Reserve Base Ball team has been organized for the season and hereby challenge any amateur team in the city. Would also like to hear from neighboring towns.

laboring so hard of late. The clubs will be represented by the following teams: Omaha-Loomis, Peck, Bask, McFarland, Bervheim, Crabell, Johannis.

Notes of the Cricketers. Something of the Match Game with Denver Which is to Be Played Here on the Fourth.

Only four more Saturday games can be utilized by Omaha cricketers for practice preparatory to the game against Denver on July 4, and considering the fact that the club has hitherto been so unpropitious for play, this will be none too much time for the locals to get themselves into first-class trim for the struggle.

Omaha should be able to put a very strong team in the field for the above mentioned game, in fact a stronger one at least from a batting standpoint than the one which landed Omaha at the top of the new at the Northwestern tournament here last summer. In the batting department Omaha has always been strong and this year is no exception to the rule.
