CHEYENNE, Wyo., June 5 .- (Special Telegram.)-The sheriff's posse which left Casper yesterday in pursuit of three of the Union Pacific train robbers overtook them when thirty miles out and were given a severe setback in the fight which followed, the robbers shooting two of their horses and stampeding two more.

The posse consisted of Hazen of Converse county, Herstand of Natrona county, Lee Devine, foreman of the "Cy" outfit, and seven others. They followed the trail of the robbers almost due north and over very high, sandy, rolling prairie.

The bandits had eaten lunch at Tea Pot rocks, twenty-five miles from Casper, where, with field glasses, they could see the country behind them for ten miles and probably saw their pursuers approaching. They had been following high ridges, but after leaving Tea Pot rocks struck down a draw to the head of Tea Pot creek and followed along the creek bottom for six miles.

At a high cliff of rocks the bandits turned abruptly to the left and rode into the rocks. They were seen by the posse and followed closely, one man trailing them while the others rade to the side. Within 200 yards of the rocks Charles Hallaby and E. T. Payton were in the lead. Suddenly two shots rang out and Payton's horse went down with a bullet through the heart. The whole posse dismounted and ran in among the rocks under cover.
