RESULTS ON THE RUNNING TRACKS Affect Wins Rosebud Stakes, Showing

Affect Wins Rosebud Stakes, Showing the Way to the Wire.

NEW YORK, June 21.—The Rosebud was the chief stake feature at Sheepshead Bay today, with Affect as a hot favorite. Affect went to the front at once from a poor start and made all the running to the bend into the main track. Belle of Orleans got within a length of her, but no nearer and Affect won easily by three-quarters of a length. Premier opened favorite for the hurdle race, but Forget took the honor at the close of the betting. She went to the front at the fall of the flag and was never headed, winning in a mild drive from Premier. Results:

PHILADELPHIA, June 21.—The ennis tournament for the woman's ch

Now that it is too late to do much this year about the erection of a high school building the attention of the Board of Edu cation will be turned to relieving the needs of the different wards. The board has not yet decided whether it will submit the question of voting bonds for a new high school building, and even should the proposition be submitted the building could not be completed in time to be of any assistance this year; in fact it would probably be year before such a structure as the one proposed could be completed and ready for occupancy. Superintendent Wolfe is continually calling the attention of the board to the need of more school room in the different wards, and it is probable that at a meeting to be held in the near future the board will take up the matter of build-It is asserted that there is need of another building in the southeast part of the city to take care of the rapidly increasing popushow a decided increase in the number of children of school age over last year. These children must be provided for and the only way to properly care for them will be by affording more ample accommodations.

Patrons of the schools in the Fourth ward have petitioned for a one or two room school house west of the Burlington tracks, and it is asserted that eighty-seven chilof the board are inclined to accept the offer formed by irresponsible parties. of a site even though a building has to be erected. It has been stated that a two reom frame school building could be erected at a small cost, thus relieving the pressure on the present building in this ward and at the same time complying with

the prayer of the petitioners. The committee on buildings and grounds of the Board of Education will go over the

the government. Since the grading of the grounds and the laying of sidewalks and driveways it has been found that both M day's session of the American Institute of Homeopathy the nominating committee reinches above the top of the curb. Gutters ported the following names for officers to will be dug along the north side of M street be elected for the ensuing year: President, call upon the police for the hospitality of in order to carry off storm water and to Charles E. Walton, Cincinnati; first vice the station. We directly night Jones was prevent surface water from running onto the president, Joseph R. Cobb, Chicago; second taken to South Omaha, where he has relasidewalks and driveways. This work will vice president, Nancy C. Williams, Augusta, be commenced as soon as possible and will Me.; general secretary, C. H. Torter, New be completed within a couple of days after York; recording secretary, Wilson A. Smith, starting. The idea of paving M street be- Chicago; treasurer, T. Franklin Smith, New tween Twenty-fourth and Twenty-fifth has York; board of censors to fill vacancy, M. D. been given up for the time being on account Youngman, Atlantic City; registrar, H. C. of the inability of the projectors to secure Aldrich, Minneapolis, The election will take place tomorrow.

The board of censors reported favorably the names of 110 applicants for membership and they were all unanimously elected.

Dr. J. B. G. Custis of Washington presented a resolution, the adoption of which was urged by the Homeopathic Medical sopayement in order to help the other propclety of that city. The resolution charged erty owners who have signed out. David the medical department of the army with "inefficiency to meet the hygienic, sanitary Anderson and August Papez, both property owners on M street near the new postoffice, and medical necessities that are incident to war" and with ignoring the personal service and hospital accommodations under homeepathic control. It was urged that steps be taken to secure recognition for graduates of the school of homeopathy in the enactment of any laws and that all appointments to the medical corps of the army and navy and marine hospital service be after competitive examinations. The establishment in Washington by the government of a bureau to investigate the causes and treatment of diseases peculiar to the United States was recommended.

The resolution was referred to the committee on legislation and it is understood it will be reported back and adopted as read, Dr. J. C. Wood of Cleveland delivered a special address to the delegates on "Homethe business portion of the city, but lines pathy as Allied to Therapeutics."

leading from Omaha have not been built, The afternoon was given up to the meet-Gas pipes have already been run into the ings of the section in materia medica, the section in obstetrics and the section in sanitary science. The first meeting was that of the section in materia medica and was presided over by Dr. T. L. Hazard of Iowa City, Ia. The meeting was immepleted the work of taking the name and ad- diately plunged into a technical discussion dress of every child of school age in the of the comparatively new drug known as "echinacea." It is a new remedy which prevents the formation of pus or remedies 1,508 as his total, so that quite a gain is the bad effect where pus has already formed. not as large as will be shown in the other was presided over by Dr. T. Griswold Comwards. Mr. Gallagher found the same stock of St. Louis.

Papers were read on subjects interesting and some have no numbers at all. It is Plattsmouth, Neb.; H. E. Spaulding, Bosthought that the council will take up this ton; L. C. Gresvenor, Chicago; C. E. Colmatter of house numbers before long and well. Aurora, Ill., and Julia C. Harrison, compel the renumbering of all residences Washington.

Representative in Cabinet.

The section in sanitary science was pre-As far as could be discerned the situation sided over by Dr. J. W. Leeeur of Batavia, in local labor circles remained unchanged N. Y. The most important address was yesterday, the reported threat of the Omaha made by General M. O. Terry of Utica, N. dren who attend school now reside west of Trades council to call out the men working Y., ex-surgeon general of the National these tracks. Some members of the board here not materializing. The Federation of guard of New York. He quoted a letter Labor has taken a firm stand and, it is written by Colonel J. D. Emmett, surgeon understood, will not recede from its posi- general of the Fifth brigade, National guard tion. A number of persons contemplating of New York, in which he suggests the perpurpose, but this building, which was owned by the First Presbyterian church, was sold ters in order to see if the differences reative in the president's cabinet, and inyesterday to a person who will undoubtedly ported to exist between the Trades council dorsed his suggestion. He said the exrefuse to sell it. The South Omaha Land and the Federation of Labor will not be perience of England in Egypt, the lesson a building is erected or moved onto it. This vandalism were reported yesterday and it is with a strong argument of facts the absolute necessity of a new portfolio in the executive cabinet in our government-that of medical director general, with powers clearly de fined as in other cabinet positions.

The position, like all the others of the association Friday evening of this week the president, subject to confirmation by promises to be a very attractive affair. The the senate, and the medical profession lawns of Mesdames Mahery, Persons and should have no special voice in the selection, Geary will be used. There will be decora-leaving it to the president to select the tions in abundance and refreshments will man from whatever school of medicine be

working hard for the success of this enter-General Terry then discussed the appointtainment and it is hoped that it will be and in the National guard of the several states and then took up the subject of sanitation in the army under varying condi-M. Cook, Twenty-sixth and G tions. He said that camps should not be selected without consulting the surgeon general, as during the late war, and suggested that they be selected by a board or commission composed of a commanding officer, a sanitary engineer and a medical officer. General Terry then discussed at length the this week instead of Saturday for in- problem of protecting soldiers and closed by offering the following resolution, which was referred to the committee on resolu-

tions: Resolved. That in the opinion of this association, the oldest national medical ganization in the United States, the condiion of the country and its standing among the progressive nations of the world demand for its medical department a position in the cabinet equal in all respects to the other departments of the government.

Papers were also read and discussed by Drs. Ashley White of Middletown, N. Y., J. P. White of Munson, E. D. Beecher Hooker of Hartford, Conn., and J. Lee of Hartford, Conn.

Monument to Hahnemann.

A special meeting of the institute was held late this afternoon to hear the report of the committee having in charge the raising of a fund for a monument to the memory of Dr. Samuel A. Hahnemann, the father of homeopathy. The fund was started in Washington in 1893. Dr. J. C. McClelmittee, said that the committee had assurances that the next congress will enact legislation giving the committee a site in Washington for the erection of a monument. He said it will be the finest monument ever erected to any medical men in H. M. Smith of New York, treasurer of the

\$30,000 had been collected and that about \$70,000 more is needed. President Balley of Lincoln, Neb., made a strong appeal for subscriptions, the re-

sult of which was that \$3,000 was immediately subscribed by the delegates present. Tonight the members of the institute listened to a lecture on "Liquefied Air," delivered by Charles Tripler of New York. Kodol Dyspensia Cure completely digests

good within the stomach and intestines and renders all classes of food capable of being assimilated and converted into strength giving and tissue building substances. Separated from His Money. Joseph Smith is an elderly German, home less and penniless. He told the police that 600 he has been without a home for as long a time as he can remember, but he says

that he has been without money only few hours and that the cause of the recenseparation from his coin is the ingenuity of an inmate of Gertie Broomfield's house of ill-repute, who fliched his purse containing his roll, \$14. Smith was given a temporary home in a police stately cell and the inmates of the house, numbering eight, were arrested I nihe hope of ascer-taining who it was that stele Smith's roll The arrest was made by Sergeant Wiser berg and Patrolmen Kissane and Johnson

Falls from His Wheel. While intoxicated, Frank Decker, address unknown, fell from his wheel at the corner of Sixteenth and Howard streets and cur 8,900

had been placed in the pattrol wagon to be taken home, he gave his address as Hickory street. On being driven there he came to the conclusion that he had made a mistake and that his true address was Thirteenth and Pierce streets, so the wagen fier named. Again Decker wa sunable to make up his mind in just which house he lived and informed the police that he remembered the location of his home was somewhere on Martha street. He was taken to the station and given temporary ledgings awaiting the clearing of his intellect.

Dividend on Bell Telephone BOSTON, June 21.—The directors of the American Bell Telephone company at their meeting today declared the regular quarterly dividend of 3 per cent, with 15 per cent extra, payable July 15, on stock on record June 30.

To Disprove Facts—It is Decidedly Easy to Verify Omaha Opinions.

Nothing by way of an introduction could be added to the experience given below which could increase their value. Omaha people can safely be left to draw their own conclusions, based on such convincing proof as this citizen offers. What is there lacking in evidence like this to satisfy a dyed-inthe-wool doubting Thomas?

Mrs. Michael Tosonery, No. 505 North 12th street, says: "My back often ached so severely that I could hardly stand it. I have been at times so that I could scarcely move and to stoop was an utter impossibility. To add to my misery, trouble with the kidney secretions existed and I was constantly trying something to cure me, but a cure never came. My husband got Doan's Kidney Pills The meeting of the section in obstetrics for me at Kuhn & Co.'s drug store, corner. 15th and Douglas streets, and after taking them for a week, much to my surprise and considerably more to my gratification, the long-standing trouble disappeared. Send anyone in Omaha to me if they want a per- CAPITAL COLLECTION AGENCY, sonal recommendation of Doan's Kidney
