The president added that he would like ning order. Early in the campaign it was to pass through Montana after the Monrealized that yearly subscriptions were the tana regiment in the Philippines had come home. This is taken to indicate that the president will start on his western trip late in the summer and that he will try to go a number of the western states, which Friends and acquaintances were therefore turnished volunteer troops in the Philippines. In this way he will be able to shake hands with the returned soldiers.

STAMPING OUT YELLOW JACK

Disease is Rapidly Disappearing from the Military Camps Around

SANTIAGO, July 1-The yellow fever abtuation shows a great improvement, no ment that men will be selected to command deaths having occurred in two days and only five new cases, all in the Pifth regiment camp, near the Spanish barracks, have been reported. The camp at El Moro pressed as to whether General Colby would is on the road to bealth, no new cases having been reported in a week. One company left the infected camp today for with the column of names for a course and Bonito and the remainder of the troops will leave imported. There is no infer-
