ON THE SAFE SIDE if you buy a safe to keep your valuables in. Almost every family ought to have a house safe. By this we mean a cheap safe in which valuables fire. It does not need to be glassware, granite ware, toilet sets, bookas strong as a bank or large office safe, but it needs to be good. We have them from \$20 to \$2,000.

Whatever kind of a safe

We have a carload of safes on the way from the factory, and to make room for these safes we will dispose of what bicycles we have left, at your own price-new wheels \$14.00 -second hand wheels \$6.00.
