set for the hearing. The injunction was secured by Mrs. Sarah Dennett, who owns block 67 and other property abutting upon Commercial street and the Union Pacific tracks. Some time ago negotiations were pending between the Union Pacific and the owners of blocks 57 and 67 for the sale of the land. The prices asked were considered too high by the rallroad people and negotiations were abandoned. Not long ago it was stated that the railroad had changed its original plans and would try to get along without purchasing blocks 57 and 67. It is understood that the owners of this property suspect that condemnation proceedings would likely be com menced and have secured a restraining order for the purpose of protecting their interests.

St. Agnes' Lawn Social. A lawn social in ald of St. Agnes' new parochial residence fund will be given at Keegan's lawn, Twenty-third and P streets, this evening. disposed of. July 27 at 10 a. m. is the date

school boys who work in shifts, so that during the day five are constantly on fluty manufacturing articles, such as vases, boards for the playing of games, table tops and hundreds of other useful and ornamental articles.

The Combination Fence company Council Bluffs keeps three men employed every day turning out gates and fences. The machine in the same as is used in the factory and gives employment to three men.

While the Savage Arms company does not have a live exhibit, it shows all of the upto-date small arms, including rifles, shotguns and revolvers. This exhibit proves of special interest to sportsmen.

The Omaha Bale and Tie company has a live exhibit employing four men. The exhibit is run by motor power and makes as much noise as a threshing machine. Here | Hagenback's, the latest to come in being the wire is worked into all kinds of fantastic shapes.

The Wolfe Manufacturing company has an exhibit that is valued at \$7,000. It includes all of the machinery of a first class flouring mill, all of which is propelled by a powerful motor. At any hour of the day millers and mill men may be seen around this exhibit, watching its workings.

The Union Metallic Cartridge company has the exhibit here that it will show at the Paris exposition. It consists of a \$7,000 case. filled with cartridges and supplies for sports-

The Lawrence Shot and Lead company of this city has a large exhibit in which the products of the plant are shown. There are sacks and sacks of shot, and probably tons of lead, in all forms and shapes,

The Dupont Powder company has gone to considerable expense and is showing a bicycle rider on a wheel made of powder cans. The exhibit is "alive," and attracts a great deal of attention.

A complete ice plant is in operation where huge cakes of ice are turned out. In addition to the ice water is cooled up to the

There's more misery just like it There's lots of lame backs in Omaha. It's a busy place and backs are used. There's urinary trouble to a great extent. Colds affect the kidneys. The kidneys are the cause, not the colds. Keep them in shape and life is life. Doan's Kidney Pills do perfect work. Are for kidneys only. Omaha people testify to their merit.

Here's a case of it: Mr. George A. Wells, No. 415 South 19th street, employed at Chas. A. Pegau & Co's. says: "I always had slight bladder trouble. but for three years it became worse and sometimes alarmed me. Accompanying it there was a weakness across the loins, particularly in evidence it I over-exerted myself. Always anxious to try any new remedy which might bring relief, when Mr. J. Flick, watchmaker of Cass St., advised me to used Doan's Kidney Pills, emphasizing his advice by stating they had cured him of kidney trouble. I bought a box at Kuhn & Co.'s drug store, corner of 15th and Douglas streets. It did exactly as it promised. The trouble disappeared.'

Doan's Kidney Pills are for sale by all dealers. Price 50c per box. Maifed on recelpt of price to any address by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name, Doan's, and take no

other

ones, if possible. Here, though, is the hitch. who is as black as the traditional ace of Lincoln. spades. Heretofore she has not been receiv-

ing many votes, but a couple of days ago the tide turned and now this young woman of positive color is several laps ahead of from Des Moines last week and found a place of residence on "the line."

her competitors. There is a dance at the Cuban Village Moines police telegraphed the authorities here to make a search for the girl and arpeople have seen it and now they are tell-ing their friends all about the step that is tion having been made by a traveling ralesso catching. There have been all kinds of man who is acquainted with the Seymour family. His name is O'Connor. The girl's It has to be seen in order to be appreciated. However it will not be introduced in Omaha However, it will not be introduced in Omaha society, but nevertheless it catches the crowds and is appreciated.

New animals are constantly arriving at an orang-outang, or Darwin's lost link The baby leopard that escaped from its expected here today. cage several days ago and wandered around the north part of the city has been recap-

tured and is again in captivity. Landscape Artist Ulrich is devoting his energies to beautifying the spot of ground in front of the Temple of Palmistry and before the week is out this will be the most beautiful spot on the whole exposition convention. A list of these who will re-grounds. Naturally the crowds that have ceive the ward's endorsement is B. G. Bone, come to see this portion of the ground visit the temple and Dr. Carl Louis Perin, the A. C. Hart, Henry Knodell, Fred Brenning, palmist, is rushed with work all the time. Gilbert.

The Artist's Studio continues to be the fad. Artists of the city are taking kindly to the show and scores of them visit the place every day, contending that by going there and watching the pose of the models they can learn as much as though they were in their own studios, applying the brush.

EXHIBIT FROM HAWAII ARRIVES.

Products Showing Resources of the New Territory Being Installed.

The Hawalian exhibit, for which 10,000 square feet of space in the Colonial building had been reserved, has arrived and is being installed under the direction of Daniel Logan, commissioner in charge. The booths in which the exhibit will be shown were onstructed some time ago, so there is no delay in getting it distributed over the space. The exhibit consists largely of coffice. sugar, rice and other products of the islands, these articles being shown in their various stages of production. Canned and dried fruits of many kinds are shown, forming an attractive display. Particular attention is given the work of the public and private schools and a large number of books are filled with the work of the pupils. They include specimens of penmanship, drawing and kindergarten work. Several cases contain shells gathered from
