# RICH STAKEFOR ROYAL BARON

Merchanta' and Manufacturers' Priga Goes to Comparative Outsider.

KINGMOND GIVES WINNER A HARD CHASE

Finishes First in Two Heats and Second in the Other Five-Royal Baron Lowers His Record Eleven Seconds.

DETROIT, July 26 .- Again the unexpected has happened in the Merchants' and Manufacturers' \$10,000 trotting stake. This afternoon Royal Baron, a comparative outsider, became the winner of the rich prize. But t was not won without effort, for never was there a finer straggle in a horse race than the one put up by Kingmond, who won two of the heats and finished second in the other five. Royal Baron is a 6-year-old bay horse, bred by Colonel Stoner of Kentucky, and is the property of N. W. Hubinger of New Haven. He was nominated for the race by A. J. Haus of Johnstown, Pa., deceased, from whose estate Mr. Hubinger purchased him. Up to yesterday, when he won a Merchants' and Manufacturers' heat in 2:12%, his best mark was 2:2314. To top off an afternoon of magnificent racing, in the first beat of the 2:05 trot, The Abbot lowered the season's trotting record from 2:10, made by Surpor on Tuesday, to 2:071/2. The first money wor by Royal Baron amounts to \$5,460. A \$2,000 consolation will be trotted Saturday.

When the Merchants' and Manufacturers stake was called, at 12:35, the four heat winners of yesterday and three less fortunate horses faced Starter Hayt. After scoring for the fifth time, they were given the word and Kingmond went out in front and stayed there, winning all the way, although Success was always close enough. Before the next heat three horses were drawn. The Queen cut the pace until the last quarter, when Royal Baron took the lead, and kept it, finishing half a length ahead of Kingmond, who had overtaken the bunch. Despite his having broken, Kingmond kept in front in the final heat from the first eighth to the three-quarters, when Royal Baron's rush again came into evidence and landed him under the wire a head to the good. Amid the cheers of more than 8,000 present, the winner was led away covered with a beau-

The final heat of the 2:07 class, pace, unfinished last night, was won in the fast time of 2:07% by Sherman Clay. Bel Esprit, in the 2:27, two in three trot, had no trouble in winning. Edith W lost the first heat of the 2:12 pace to Fanny Dillard, but after that she was not in danger.

The Abbott was favorite in the fast trotting class and justified his selection. Geers captured the first heat with one of his famous drives in the stretch. When The heat it put him out for the time being, but in the last two he was steady as clockwork and won. Geers afterward explained that Kentucky Union's sulky had bumped into

## EVENTS ON THE RUNNING TRACKS Two Stakes and Special Sweepstakes

Lend Excitement to Brighton Beach. NEW YORK, July 20 .- There were two stakes and a special sweepstakes on the card at Brighton Beach and they drew a large crowd to the track. For the Distaff Fond Hopes was an odds-on favorite. Jugglery went to the front at the start and ran from there to the stretch, when Prejulice went out and won easily. In the Babylon stakes A N B was the favorite, but could do se better than fourth. Sky Scrape and St. Clair made all the running, heaand head, and they kept that way all through the race, being heads apart at the finish in a drive. The sweepstakes was between Maribert and Montanic, with the latter a prohibitive favorite Maribert, however, won in a common gallop by a couple of lengths. Results:

# COAL DEALERS CONGREGATE

Two Days' Convention in Omaha, with

will have the right of way until tonight, when their two days' session in Omaha will end with a banquet at the Commercial club given by the local dealers to their guests. The annual convention of the Wholesale and Retall Coal Dealers' Association of Iowa and Nebraska began at Washington hall yesterday forenoon. As many of the visitors did not arrive in time for the opening session it was comparatively abbreviated. President Tom Collins Havens called the delegates to order and briefly invited them to make themselves at home, and then exposiion tickets were distributed preliminary to a jaunt to the grounds in a body after lunch. The afternoon and evening were devoted to sightseeing and a trip through the Midway, and this morning the delegates will assemble in Washington hall to elect officers, consider reports of committees and transact such other business as may come before the convention. In the afternoon there will be a trip up the river on the steamer Jacob Richtman, and in the evening the festivities will terminate with the banquet at the Commercial club.

The effort now being made in Omaha to have the Board of Education of that city adopt a civil service method for the employment of teachers in the public schools bas called attention to the necessity for some such plans here. In the opinion of a great many people who reside in South Omaha there is altogether too much politics in the Board of Education. It has been openly charged time and again that positions as teachers and janitors are obtained through political influence. No matter how faithful and competent teachers are they must go through the same process of electioneering every year and to a great many this is distasteful. Applicants for positions call on members of the board at their places of business, as well as at their homes and friends of the applicants do the same, so that for a week or two before an election of teachers members get very little rest.

By some it is deemed humiliating for a teacher to have to call on a member at his place of business and make a plea for support, but it is done right along. doubt the members of the board would be vitation from Sir Thomas Lipton to be one willing to agree upon some arrangement of the guests on board the Shamrock whereby elections could be held without so during the coming international yacht races. much lobbying. Quite a number of the Sir Thomas Lipton was one of the promoters teachers have served here for several years, of the first packing house erected here and became quite well acquainted with Mr. Paxthose who would not be expected to renew ton during the early days in South Omaha. applications every year. All kinds of political deals are now made to secure positions under the board and especially is this true with janitors. Applications for teachers' positions brings forth friends and relatives into the fight and the consequence is that all kinds of promises are made and broken. The breaking of the ante-election promises causes hard feelings which often takes considerable time to overcome. No reflection is cast upon the present Board of Education. for it has but carried out the usual custom. By going over the list of teachers carefully it is thought that enough could be found to place upon a civil service platform to materially reduce the number of applications for positions. In this way the members would be spared a great deal of worry and the teachers and their friends would be much better satisfied.

It is barely possible that this matter may be brought up at some future meeting of the board.

Armour's Anniversary.

Yesterday was the first anniversary of the peration of Armour & Company's packing plant in South Omaha. At 9 o'clock on the morning of July 20, 1898, the first hog was Since that time the plant has been in operation steadily and 609,170 hogs have been killed. Of cattle 92,199 head have been slaughtered, while 149,390 sheep and 947 calves have been sent to the coolers. This is considered a very creditable showing for the first year's operations and General Superintendent Howe was yesterday receiving the congratulations of his friends. Since the plant was opened a great many improvements have been made, among them being the erection of a large nine-story cooling house for the storage of hogs. Eight new smokehouses are now under course of construction, and when these are in operation the smoking capacity of the plant will be nearly doubled. The plant now employs 1,700 people.

To Select a Site Tonight.

An adjourned meeting of the Board of Education will be held this evening. The special business before the board will be the selection of a site for a school house in the Second ward. A majority of the members of the board have looked over the Stockman office on Twenty-fourth street is sites offered and will, consequently, be in a position to vote intelligently on the selection of a proper place for the building. Considerable interest is being manifested by Second ward people in the selection of a site and all who submitted bids will likely be on hand to listen to the deliberations of the board. The wide range in the prices submitted has caused some comment and for this reason the taxpayers generally are showing some interest in the matter.

WOMEN THE WOES OF

are, at their best, bad

enough-The reason for most

of these woes ?-They have sick kidneys-

and most of all, most of them, either will not or do not know it. Dear Madam-

Do you want to get rid of your woes? Take

backache, kidney ailments, sleeplessness and urinary disturbances in either adults or children.

We know Kid-Ne-Oids will absolutely cure the above ailments and minor affections directly due to them - we have given names of those who were cured-investigate and you will get at the truth.

Disordered kidneys are indicated by pains in the back, distress or fullness after eating, scanty or scalding urine, weakness and chills, pains in the loins, nervousness, sleeplessness, loss of vitality, swelling in limbs or body or both, and sediment in the urine.

Kid-Ne-Oids are in yellow tablet form—put up in boxes—sell for 50c a box at all drug stores—your druggist will tell you of cures they effected here at home-he will vouch for the truth of our every assertion.

Morrow's Liverlax cures constipation, biliousness, costiveness—they sell for 25c a box—at all drug stores.
