Poynter the First Man Invited to Attend the Meeting and Address it, but He Fails to Accent.

LINCOLN, July 31 .- (Special.) -- In criticising the plan to give the members of the First regiment an elaboate reception in this ure of the company to provide better railcity some time in September, the populist state officials and their campaign committee, who are the only persons not thoroughly in accord with the movement, seem to have forgotten Governor Poynter's refusal to speak at a recent meeting held in the interests of the reception and that he afterward called the attention of his colleagues to the fact that not a single fusionist was given a place on the program.

When the program committee looked around for speakers for the occasion the first man asked was Governor Poynter, he being given the first place on the program. The committee also arranged for inviting Dr. H. O. Rowland, who has openly and severely criticised the administration for permitting the war to go on in the Philippine islands, to open the meeting with prayer. It was afterward discovered that Dr. Rowlands had previously planned a trip for a few days previous to the meeting and his place was supplied by Rev. # DR. BENNETT'S ELECTRIC BELT

You get Electricity by treating with my Belt in its purest form. There is no possible chance for it to injure you. It does not stimulate. It must strengthen. To get good results from Electricity, you must have constant application several hours at a time. You cannot do this with the batteries used in doctors' offices. It would keep you away from your business. My Belt does not bother you a bit and you can work, ride, jump or run with it on. I have known for many years that Electricity was the greatest curative agent that would ever be known. I do not give drugs at all now. I could make more money if I did. It does not cost anything to write a prescription. I devoted a good portion of my life and money in perfecting my Electric Belt. I do not promise it to cure you-I guarantee it. The prices of my Belts are within the reach of all the afflicted. You can rest assured my Belt will not burn or blister you, as do all the other kinds of Electric Belts. It has soft, silken, chamols-covered sponge electrodes that entirely do away with the burning. They can be renewed when worn out for 75 cents-no other belt can be renewed for any price. Guaranteed to cure Sexual Impotency, Lost Manhood, Varicocele and all Sexual Disorders; restore shrunken or Undeveloped Organs and Vitality; cure Rheumatism in any form; Kidney, Liver and Bladder Troubles, Constipation, Dyspepsia, Female Complaints,
