Now that the new freight depot of the Omaha Bridge & Terminal Railway company at Ninth street and Broadway is completed, all speculation is being indulged in by local railroad men as to who will occupy it. For some time past it has been reported that as soon as the depot was completed it would be used by the Omaha & St. Louis, but owing to the unsettled condition of the affairs of the road no move has been made in that direction. In some quarters it is believed that the Missouri Pacific, which at present hauls considerable freight from this side of the river to its depot at Webster street in Omaha, will use the depot and transfer its freight, consisting chiefly of agricultural implements,

across the river by the Terminal bridge and cars. The depot is a most commodious one and is by far the best in the city. The location is considered excellent and connection can be made with any road in the city.

DES MOINES, Ia., Aug. 13.—(Special.)—It is now considered a possibility that only one name will be presented for the nomination for governor at the democratic convention on Wednesday. Judge Martin J. Wade of Iowa City does not want to be considered in connection with the nomination, and is for the Iowa City Press, his home democratic paper. That paper after referring to the mention of Judge Wade's name says: "It is understood the judge will not consider the proposition, as he prefers to remain on the bench, where he has almost a full term to serve, and the more so his tastes are for the law, rather than for such a position as governor."

From the beginning, the advocates of Judge Wade's nomination have admitted their uncertainty whether he would allow them to present his name. The expression in his home paper is taken to represent his personal views on reaching their office. It will not allow his friends to use his name.

Two counties yesterday gave Cato Sells their support. They are Scott and Muscatine. On the other hand, Webster county's convention at Fort Dodge instructed for Bashor, Iowa county instructed for Wade conditionally, and the committee will allow the use of his name and will stand on the Chicago platform.

Identifying the Baby. LE MARS, Ia., Aug. 13.—(Special.)—The management of the Windsor hotel in this city has received a letter which may lead to the identification of the woman who registered at the Windsor hotel Saturday as Mrs. C. N. Clarke, and left some time in the night, deserting her infant son. The letter is written by Chris Hage, proprietor of the Queen City hotel at Volin, S. D. He says he notified in the papers the absence of the baby being deserted in Le Mars, and from the description given of the woman and the action taken, he reached the conclusion that she was the same woman who came to his hotel April 24 and registered as Mrs. G. W. Smith of Sioux City. She claimed she was married to a traveling man from Chicago, who was on the road for a considerable time. A baby was born to her July 2 at this hotel, and Mr. Hage says she left with the baby on August 4. Mr. Hage concludes his letter by saying that the hotel people had an inkling that all was not exactly right, and that he is ready to identify the woman. Volin and Mrs. Clarke at Le Mars are one and the same. He adds that if some articles of the infant's clothing were sent it could probably be identified, as all Mrs. Smith's baby clothes were in his hands. Some of the infant's clothes were sent to Mr. Hage in answer to his request.

Peonage Case in Court. IOWA FALLS, Ia., Aug. 13.—(Special.)—Hardin county legal suit has just been retained in a peculiar suit that will come up in the Grundy county district court at the next term. It comes from Cleves, where a church society owned a cemetery in which had been buried the remains of a man. The member in question was expelled from the church several years ago and up to that time had not used the lot for burial of any of his family. He later deeded the property to his son who sought to use it, but was refused, claiming that the lot was the property of the church, and as a result of the dispute the courts will be asked to settle the point.

Policeman Accuses Mayor. BURLINGTON, Ia., Aug. 13.—(Special Telegram.)—All Burlington gambling houses have been closed on information filed by Police Officer Collins. Collins charges that the gamblers have been paying a monthly bribe to Mayor James H. Naumann for the privilege of running. He was refused a certain coveted appointment on the force by the mayor and this is his retaliation.

There is talk at Sioux City of holding a horse show in connection with the races this fall. The Latter Day Saints will hold their annual convention at Runnels, commencing August 24 and lasting ten days. Burglers entered the store of H. E. Bould at Dallas Center and removed about thirty-five pairs of shoes. No clue. The Atchison, Topeka & Santa Fe railroad lands in Marion county, and may run its own lines to them. A farmer living near Cedar Falls paid \$59 an acre for twenty-five acres of land and sold his farm, which he wanted just "to square out his farm."

New London, a town on the Burlington railway east of Mount Pleasant, has a new paper called "The Daily Light." It professes to shine for all day and night. The Charles City Intelligencer states that the only symptom of calamity visible in this county is the possibility that crops may suffer because of a scarcity of men to harvest them.

According to the figures secured by Secretary Green of the state horticultural department the yield of fruit in the state this year will be a percentage of the average crop. The showing of fall apples is 51.5 per cent; for winter apples, 31.5; for American plums, 55; for grapes, 18.5 of the usual crop.

Miss Mabelle Walker Moore, a Charles City girl, has been chosen to undertake the "Under the Midnight Sun" tour. She secured the engagement through W. J. Davis of Chicago, the husband of Jessie Bartlett Davis, who is to hear her sing. Miss Moore is said to be a counterpart of Miss Nielsen. She was born and raised in Charles City.

The contractor who carries the United States mail on the star routes running out of Carroll has a job that is well paid, but is relinquish. He is now paying out for his more than he gets from the government for his work, but is obliged to fulfill his contract, being under heavy bonds. "During the hard times," explains the Carroll Herald, "this work was done so low that it is now impossible to get men to carry the mail at former prices. Labor has risen, and employment, and at fair prices, and men will not work for half pay. For this reason contractors with the government will be struck heavy on some of these routes."

Iowa Democrats Have Three Candidates for the gubernatorial Nomination.

CATO SELLS DECLINES THE HONOR It is believed that the Chicago Platform Will Be Readily Accepted—Bryan to Speak Tuesday.

DES MOINES, Aug. 13.—Everybody is at sea regarding the ticket and platform of the democratic state convention, which meets here Wednesday. Only the names of the ticket has been talked of so far as yet, and of it three names are mentioned as candidates.

Rev. H. H. Bashor of Waterloo is at present the favorite, as he is known to be right on the 14 to 1 side of the silver question. Cato Sells of Vinton, who will be temporary chairman, is also being pushed by his friends for governor, but he does not want it and the tone of his speech will have much to do with his success as a candidate, as yet no one knows just exactly what his views will be.

Judge M. J. Wade of Iowa City has also been brought out in the last few days as a gubernatorial candidate, but apparently has little show of success, as his position on the main issue is doubtful.

For the rest of the ticket absolutely no names have been mentioned. It is believed the Chicago platform and Bryan will be endorsed, but not unanimously, as there will be several contesting delegations from various parts of the state.

IS AN INSULT TO KENTUCKY Governor Bradley Does Not Believe Any Threats Were Made Against William J. Bryan.

FRANKFORT, Ky., Aug. 13.—Governor Bradley, discussing the interview with congressman A. S. Berry of Newport, in which the latter declared Bryan might be shot if he persists in coming to the state in the interest of Goebel, said: "I cannot think Mr. Berry made the statement attributed to him. In any event, such a statement is an insult to Kentucky and wholly without foundation or excuse. Mr. Bryan would be in no more danger in Kentucky than in any other state in the country." Ex-Senator Blackburn also discredits the statement.
