

EARLY CONVENTION CALLED

Republicans Will Meet September 9 to Nominate Their County Ticket.

BURBANK FACTOR LARGELY OUTNUMBERED

Were Able to Muster Only Thirteen Votes and Their Resignation Scheme Never Saw the Light.

At a meeting of the republican county central committee, held at Washington hall yesterday afternoon, the date of the county convention was fixed September 9 at 2 o'clock.

The session only occupied a quarter of an hour and the only difference of opinion that developed referred to the date of the convention.

The reappointment scheme that had been incubated by Burbank and his immediate supporters was neatly headed off by a resolution.

Resolved, That the secretary be instructed to prepare and issue a call for a convention of the republican county central committee to be held at Washington hall in the city of Omaha, September 9, 1899, at 2 p. m.
