DIRECTLY LEADS ALL THE WAY

Twenty-Five-Thousand-Dollar Purse Is Gift to the Winner, Whose Rank is Never in Danger. DUBUQUE, Ia., Aug. 31.—A large crowd was disappointed at Nutwood park track today. It gathered with the expectation of seeing a great scramble between four great pacers for the special purse of \$25,000. The race was a bit directly, who was never in danger from beginning to end. The best heat was turned out by the quarter, and the other two were turned out by the quarter and a half. This was the first time since the start of the season that all the way except for a moment drawing up to the half, where Ananias stuck his nose in front. Coming down the stretch Ananias was a close second, but broke and fell back to the last.

It took two heats to decide the 2:07 pace, postponed from yesterday. Gates Noyes went to the front at the quarter in the first heat, and Ananias finished second. In the second heat Noyes ran for his money from the half to the wire. Both drivers urged their charges hard and came down the stretch and under the wire so close that the judges were unable to make a long time in giving Noyes first place and the race. Toler took second money. The best time was 2:07. Nine starters lined up for the 2:18 trot. In the first heat of the four necessary to decide on a winner, Noyes led to the quarter where he was needed by Aaron Star and Jack D. who led the procession to the three-quarters pole. Noyes was coming to the front fast when he broke and fell back to third place. Thomas went out in front at the quarter in the second heat and led all the way. He was followed by Aaron Star and Jack D. but were set back to the tail end for running.

Aaron Star and Thomas C put up a pretty contest in the third heat. They were even times to the head of the stretch. Star won by a nose. Thomas C was given first place. The fourth heat was won easily by Thomas C. Aaron Star took second money, and Elliott third.

John Nolan had an easy victory in the 2:19 trot. The other three formed as follows: Little Edgar, Caracala and Fear-dy. Little Edgar won in three straight heats with little difficulty. Precision was second and Senator L third.

SHAMROCK'S MAINSAIL SETS WELL

HUGH CANVAN IS TESTED TO SATISFACTION OF CAPTAIN HOGARTH. NEW YORK, Aug. 31.—For just fifteen minutes the yacht Shamrock set its mainsail today. The sail is a beauty, with its cloths running the regular way from head to foot and a big peak to the top. Soon after breakfast the Shamrock's crew "turned out." They stretched the foot of mainsail along the boom, then hauled the clew out and made it fast. There are eighteen hoops on the mast. These were next sized on and after the foot of the sail had been fastened to the traveler the head of the mainsail was hoisted. It remained up just long enough to satisfy Captain Hogarth that it needed no alterations. Then it was lowered and carefully covered by the crew. It will not be hoisted again, according to David Barry, Sir Thomas Lipton's representative, until the arrival of Will Fife, the yacht's skipper. He is the commander of the campaign with the Shamrock's owner. The latter will not be taken off the steamer at quarantine. He will come to the city and go to the Fifth Avenue hotel. The steam yacht Erin will go down the bay to meet its owner and the Shamrock

POINTER PACES SPEEDY MILE

New Track Record of Two Minutes Flat Scored at Charter Oak. BEST TIME IS MADE IN THE LAST QUARTER. Two Running Horses Bring the Pacer Down the Stretch Without Slip or Break, Dave McLary Holding Reins.

HARTFORD, Conn., Aug. 31.—The feature of the day at Charter Oak park was Star Pointer's great mile, which was in two minutes flat, without slip or break, beating the track record made by the same horse last season, 2:00 1/4. Dave McLary drove Pointer and he was aided by two running horses, one going to the half and both coming down the stretch either side of the pacer. The time by quarters was: 0:30, 1:00, 1:30, 2:00.

There was intense excitement during the progress of the 2:17 trot, in which Letah S was favorite early in the day 25 to 15 and later before the race started 25 to 35 for the field. The change in the odds looked suspicious and there was a great amount of money up. Dollade Wilkes and Letah S had each a heat in Wednesday's contest and Letah S took the first of the heats today.

In the fourth heat, however, there was trouble brewing. Kennedy, driving Letah S, did not score her to the pole and the word was given with the mare well in the rear. She broke in the first turn and made the mile in fifth place. Kennedy complained that he was fouled, but the judges took him off the seat and put Geers up in the fifth heat. The veteran drove her to second in the fifth heat and in the sixth took the race, although Speers, behind Pilot, was fined \$25 for not driving the heat to win. Dollade Wilkes had two heats. Billy Andrews took the 2:30 pace, going the first mile in 2:06 1/4, Conroy being the only horse that had any business with him.

The consolation for all horses below second place in the Charter Oak stake of Monday was won by Rubber in three straight heats with little difficulty. Precision was second and Senator L third.

FINAL ROUND IN WOMEN'S TENNIS.

Misses Neel and McAteer Will Contest Misses Banks and Neely. CHICAGO, Aug. 31.—After winning an interesting match of doubles from Miss Frazier and Miss Delany at the Women's Western Championship tournament at Kenilworth, Miss Neel and Miss McAteer and Miss Neely and Miss Neely were defeated in the semi-final round by Miss Neely and Miss Neely. In their first match, Miss Neel and Miss Neely played in excellent form and won in straight sets. In the final round for doubles tomorrow Miss Neel and Miss McAteer will have their opponents Miss Banks and Miss Neely.

In the single matches Miss McAteer defeated Miss Parker and Miss Neely had an easy time with Miss Banks. RYAN WINS IN TWENTY ROUNDS

Moffatt is Outclassed and Receives Severe Punishment—Kerwin Wins from Sellers. DUBUQUE, Ia., Aug. 31.—Tommy Ryan was given the decision over Jack Moffatt at the end of a twenty-round bout here tonight. Ryan had his opponent going in the thirteenth round and could have easily put him out. He let down, however, and made no attempt to end the fight. Ryan did not show a mark, while Moffatt's nose and mouth bled freely and his breast and neck were well skinned from the constant jabbing he received. The 200 spectators were excited because Ryan did not extend himself. Up to the thirteenth round the men gave a pretty exhibition and Ryan had all the best of it.

In an preliminary bout between George Kerwin of Chicago and James Sellers (colored) of Marshalltown, Ia., Sellers secured third place. The fight was a pretty one. Kerwin, as a ring freak, met his match and the spectators enjoyed their antics hugely.

BELIEVES IT WAS MURDER

Winifred McAuliffe of Denver Says Sister's Death Was Not Accidental. YOUNG WOMAN ENDURES THE JOURNEY FAIRLY WELL UNTIL CITY DEPOT IS REACHED, WHEN SHE IS OVERCOME BY GRIEF.

The body of Lizzie McAuliffe, found dead on Park avenue early Tuesday morning, was taken on the midnight train to Denver, where her parents live. It was accompanied by a sister, Winifred McAuliffe, who reached the city yesterday morning.

Winifred McAuliffe left Denver a few hours after Coroner Swanson's telegram was received announcing her sister's mysterious death. Miss McAuliffe bore the journey well until this city was reached. When the brakeman shouted "Omaha" at the car door the young woman broke down completely and had to be assisted to a street car by station attendants.

She first called at the home of a friend, Mrs. Therese Gurtle, and the two went to the coroner's to arrange to take the dead girl's body home.

Miss McAuliffe believes her sister Lizzie was murdered. She did not know that Lizzie received attention from men and said that she was engaged to a young man in British Columbia. They were to have been married this fall.

James Mott, who lives at Thirty-eighth and W streets, South Omaha, informed the police that Lizzie McAuliffe was employed as a domestic at his home six weeks, having given up the place August 14. He said Lizzie was accustomed to receive calls from a young man whose description corresponds exactly with that of "Steve," with whom she went driving the night of her death.

Mr. Mott said Lizzie told him her caller's name was Adams and that she was acquainted with him in Sioux Falls.

The inquest to review the circumstances of Lizzie McAuliffe's mysterious death and if possible determine the cause resulted in the jury's recommendation that "Steve," the young woman's companion the night of her death, be apprehended and held on the charge of murder. The finding of the jury was that Lizzie McAuliffe came to her death the evening of August 28 or the morning of August 29 by being thrown from a busy while in the company of a man known as "Steve," last name not learned. The finding closes with the recommendation of the man's apprehension.
