A BIRTHDAY PARTY.

Eleventh Year Commenced Where Early Demise Was Predicted by Encouraging Contemporaries.

The Sherman & McConnell Drug Co. yesterday commenced the eleventh year of business at their location, 1513 Dodge street, middle of block.

A newspaper for this paper was shown through their store, and was surprised, indeed, at the size of this establishment.

Three floors are occupied by this firm, each one of which is 125 feet in length, and all three rooms are literally jammed with goods.

It is a matter of common report that anything in the drug line which is worth keeping can be found by calling on this firm.

This, and the fact that their force of prescription druggists is fully double that of any other store in Nebraska, accounts for the continually busy appearance of this store.

It is always crowded at Sherman & McConnell's, and yet you always get waited upon promptly.

To speak in detail of the business methods of this firm is not the purpose of this article—but, summed up, it is simply that of treating all alike—and "minding their own business."

The interests of the firm and its customers are alike cared for by seeing that all are properly served—acknowledging a strict responsibility to the public as to quality of goods sold—and the services rendered by the members of the firm and their employees.

Hayden Bros' ad. is on page 7.
